

Departmental Activity

Department of Environmental Studies

Assistant Prof. Dr. Tanusree Chaudhuri

Department of Environmental Studies regularly organizes- presentation, group discussion etc. among the students. Faculty always tries to sensitize students about the current global environmental issues; numerous students accordingly act towards the society.

Departmental Activities

1. Department organized project presentation during 1st week of August, 2014, on "Innovative Idea-on Environmental Budget- on Green Energy". Students made their group in all four divisions. They were instructed that they will get Rs 100 Cr. to start their project on Green Energy. Students sketched their project and same was presented by the group. Through presentation they justified where and how they will spend Rs. 100 Cr. Thirty Eighty group participated in the project and out of that the two best groups awarded with certificate.
2. Department organized an educational trip to visit plant nurseries in Santacruz on 12th February, 2015. Students visited nurseries with questionnaire and surveyed about their soil and water management. Students also get to know about total number of plants in each nursery and their business approach. Approximately 20 students participated in that trip.
