

INTERNSHIP OPPORTUNITIES FOR COLLEGES – PRACTICAL EXPOSURE

Objective:- The objective of this practical internship is to reduce the gap between the academics knowledge and practical know-how which the industry wants from the graduates and post-graduates. Our have designed specially 8 days internship programme which gives complete practical exposure to the working of the capital markets and thus contribute in the increase in the employability of the students and also motive them to become ENTERPRENUERS in the Financial Markets.

Programme Flow:- There would be 8 session each of 1.5 hours and this would give the students huge benefit in terms of getting actual exposure in the stock market. Each batch of students would have maximum 25 students

Flow of sessions	Topic	Details	Objective
Session 1	Working of stock market	Actual Terminal operations	One learns how to operate actual stock market terminal
Session 2	Working of stock market	How to read macro indicators and judge markets – Opening of Demat and Trading Account of students	One learns how to analyses the future trend
Session 3	Working of Mutual funds	Mutual funds schemes and their performance analysis	How small savings can create huge wealth
Session 4	Working of Mutual funds	Analysis of schemes and their portfolios --- Starting of SIP of Rs. 500 for each student	Systematic habit of saving is created
Session 5	Fundamental Analysis	Identifying good companies for investment	One can become Independent Financial Consultant
Session 6	Fundamental Analysis	Reading company balance sheet	Can guide clients which companies to invest
Session 7	Technical Analysis	Using Technical analysis for trading	They can become Sub Brokers and trade themselves
Session 8	Technical Analysis	Using ACE software for actual trading	Generate income by becoming OWN BOSS

ENTERPRENEURSHIP OPPORTUNITY:- we also provide Entrepreneurship opportunity for those students who want to start their own financial consultancy firm after the completion of studies. We have tie up with the following firms

- 1. Man & Moneta Experts Pvt Ltd**
- 2. Knowledge and Wealth Creation LLP**

We would provide the Mutual Funds distributorship and Equity sub brokership through our tie up with these firms.
