Suggestions/feedback given by Employers:

- The students are required to be trained for few months before any serious assignment is given. If the curriculum incorporates practical training then it will make them. More confident to handle any assignment from day one.
- Student must get more idea about how to present their skills in interview.
- Curriculum should be periodically upgraded. Period can be 5 years as things are changing at a fast rate.
- We have worked with Vivek College and our experience is fantastic, College preferred all round development of students and focus on Skill development. and It was very good experience as a partner for skill development program.
- We have a great relationship with the college going on with our placement training program, wish to continue with that.

Action Taken :

- ✓ MoU with Sonopant Dandekar Arts & V.S.Apte Commerce & M.H.Mehta Science College, Palghar.

Suggestions/feedback given by Employers:

- We need to make our more practical and train them so that they become employable after graduation.
- The Curriculum needs to be updated after every three years.
- Students needs to be given more practical Knowledge and given a experience of corporate working during the academic.
- Students should be encouraged to work while learning and should be made to present a report on the work that they do during vacation. It should be a part of their curriculum.
- Students have basic understanding of markets and that is from theoretical part. If we want to make them good so we have to do expert training sessions for them.

Suggestions/feedback given by Employers:

- The students are required to be trained for few months before any serious assignment is given. If the curriculum incorporates practical training then it will make them. More confident to handle any assignment from day one.
- Student must get more idea about how to present their skills in interview.
- Curriculum should be periodically upgraded.
- We have worked with Vivek College and our experience is fantastic, College preferred all round development of students and focus on Skill development.

Action taken:

- ✓ Additional division of M.Com (Accountancy) part II was introduced.
- ✓ Book Bank Scheme was implemented.
- ✓ Workshop cum seminar on “Gender Infidelity” was conducted for students.
- ✓ Faculty development program on “Intellectual Property Rights” was held.
- ✓ Projectors were installed in three classrooms.
