# OVERVIEW

---

Vivek College of Commerce organized an Online Research University Level Workshop on the 17<sup>th</sup> of June 2020. Dr. Moushumi Datta, professor in geography, N.L. college was the Resource person of the workshop. The workshop intended on focusing on “Art of writing a Minor Research Proposal”.

Process of writing a proposal is an intricate art of dwelling into the subject without losing its relevance. It consists of many components which a researcher should be well informed about. As the Research cell promotes new blooming researchers this workshop was an opportunity to gather some skills by delivered by our Resource person. She lucidly explained all the possible details starting from the Research idea to the submission to the funding body. She addressed the various factors involved in a research proposal. Key aspects like budgeting, review of literature, objectives, methodology, analysis, how to prepare chapters etc. were also addressed in the workshop.

Over 40 participants of different colleges of Mumbai University had participated in the workshop and submitted a feedback of the workshop.
