Innovators is an inter-collegiate festival which commenced in 2006 and has completed 8 successful years and this year it completed its 9th year. Innovators' 2016 were organized into 6 departments: Arts, Sports, Cultural, IT Events, Mass Media, and Mega Events which was held in the college premises. Innovators provide a platform to students with different talent to explore their potential and compete in a healthy atmosphere.

It was for the first time in the Innovators event, mobile application “Innovators 2016” was developed by Innovators team which gave the ease to the participants to register and know the details of the events online with the help of animated and graphic videos uploaded in the application.

The Theme of the Innovators' 2016 was "Spring" and the following events took place in the course of two days i.e., 12th and 13th of February, 2016.
