3. Nature's Trip to Bandra Fort

Fifteen members of Flamingo Nature's Club visited the fort Castella de Aguada, on 17th February, 2018. The fort is famously known as Bandra Fort, located at Lands' End in Bandra. The fort was built by the Portuguese in 1640 as a watchtower, overlooking of Mahim Bay and the Arabian Sea. Our students visited Bandra Fort Garden too, which is located inside the fort. Students have enjoyed the trip
