Parents are the key stakeholders of any educational institution. And at Vivek, we believe in the collaborative efforts of the teachers and the parents in the overall development of the student. PTA is an open platform for deliberation and discussion for not only understanding the governance aspects of the college but also to invite suggestions and recommendations for the overall growth of the institution from the parent's perspective.

A Parent Teachers' meeting for the academic year 2022-23 was conducted on 17th September 2022, for the parents of the First-Year classes of all the programs.

The In charge of the PTA briefed the role of the association and invited the Parents to be on the board to enhance the overall functioning of the body.

Mr. Sashi Varma, Secretary of Vivek Education Society addressed the parents and gave information about the vision and mission of the college and the society.

Prin. Dr. Vijetha Shetty addressed the parents and gave them the overall idea about college infrastructure; curricular and co-curricular activities held in the college throughout the year. She also requested them to take an active part in college functioning to resolve students' issues if any. The parents had been given information about:

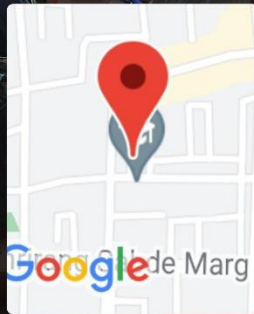

- Discipline Rules.
- Attendance Rules
- Examination Rules
- Library Resources
- Career and Placement Cell
- Cultural activities of the college
- Experiences Shared by the Parent of the Last Year Academic Topper
- Counseling sessions for the parents by the College Counselor

PTA acts as an open and continuous platform for the parents to get an update about both academic and other activities carried out at the college and we look forward to strengthening the association in all aspects.
