

Utkarsh Student Research Cell

Teachers In Charge:

Dr. Tanushree Chaudhuri – Team Leader

Dr. Neelu Khosla and Dr. Maya Hande

17thAvishkar Research Convention (University of Mumbai)

Being an annual event organized by the University of Mumbai, it aims to:

- a. encouraging students in doing research by collecting primary data.
 - b. analyzing the data and interpreting the facts.
 - c. preparing posters and PPT, thus being technology savvy.
 - d. understanding the ways to face competition at Intercollegiate levels.
- organized by the Department of Student Development, informing colleges, and inviting them to Depute teachers and student coordinators. Ms Aleema Shaikh and Mr Saihaan. Our college participated in Zone III (Colleges from Bandra to Dahisar).
 - The college sent three teams, wherein two teams of students were from the commerce stream under the mentorship of Dr. Maya Hande (Dept. of Commerce) and Ms. Smitha Naidu from MSc. IT, mentored by Prof. Maria Muthukumar (Coordinator BSc. IT) in the first round to present Posters and Models, as per the instructions.
 - The team of Mr. Tanmaya Kamble SYBCOM, Ms. Pooja Yadav FYBCOM, and Ms. Divya Kedare SYBCOM presented on “A study of Predictors of E-Governance usage in Mumbai Suburban Region” and won at the Zonal level and took part in the Final Rounds.
 - The team even qualified for the first poster round in the Finals. The management of the college appreciated their efforts and awarded the special trophy to the students on the Annual Prize Distribution
 - The guidance and support extended by Dr. Girish Kudav and Mr. Shravan S Bane constantly throughout has proved to be a great guiding source to present the primary facts in a quantified manner and enabled the teams to be confident and perform.
 - Even our student Gopinath Nadar (Alumni) from B Sc IT, who has also participated in Avishkar was constantly facilitating upskilling students.

Vivek Team qualifying for the Zonal Round at St. Andrew's College.

Participating in the Final Round

2, We invited Dr Girish Kudav and Mr. Shravan on 6/09/2022 to speak on 'How to select the Research topic' explaining the importance of relevant topics for research, which can solve our daily problems.

Experts delivering Guidance Lectures for Students Research Cell – Dr. Girish Kudav & Mr Shravan S Bane
