Faculty Members:

Prof. Anupama Bali (Chief Coordinator of SFC & Coordinator of M. Sc.IT.)

Prof. Maria Muthukumar (Coordinator of B. Sc.IT.)

Prof. Murugesh Chandran

Prof. Sukanya Sawant

Activities conducted by the department:

Curiosity is an Inter-collegiate event organized by the Dept. of I.T. every year. The theme for this year was “Space”. It was held on 20th January 2023. The motto of the theme was to explore space. This event's goals were to promote the plethora of talents and abilities displayed by different college students while also fostering teamwork, and effective financial management, and enhancing our interpersonal communication skills. It served to build a sense of unity and belonging on campus by giving teachers, staff, and students a chance to come together and showcase their inner qualities.

The fest was inaugurated by the honorable Joint Secretary of VES Mr. K. Ramachandran, and Principal, Dr. Vijetha Shetty. The fest began with an opening ceremony, featuring a prayer song by our student representative, followed by words of wisdom from the Management, and remarks from the College Principal.

Technical games like Blind Coding, Puzzle Planets, Brain It On, Stumble Guys, know your binary, and Counterstrike was part of the event. There were several non-technical games like Measure Mind, Cluster of Constellations, Tower Power, Clash of Planets, and Treasure Hunt.

It was attended by students in large from across departments and teachers.
