

## Tamil Malayalam Literary Association

The year began with a Tamil 'Pattimandram' .Students were very excited for being part of the pattimandram . Thiru.Mehalavarunan Sir was the naduvar(judge) for the show. His lyrical comments elated the show to the next level of elegance. All literary activities were conducted with other literary associations .These two activities provided the much needed platform for orators ,speakers, writers, poets in Tamil and Malayalam.

The much awaited Fusion-2017 blended with the spices and flavours of South. The rhythmic beats of Tamil Nadu and Kerala spread their fragrance of joy and togetherness with great love. Payasam completed the food to the soul.

It was indeed a memorable Fusion!
