1. Literary Association takes care of the literary skills of students, especially in English. Skills like Reading, Writing, Listening, and Speaking are polished when students participate in various activities like essay writing, newspaper reading, debate, extempore, etc. This year the association organized an Essay writing competition for students to showcase their skills in writing. Prize-winning essays are published in the college magazine.
2. An online session on “How to make effective PPTs was organized on 10th January 2022. Mr. Tanmay Kamble and Aman Dubey from FY and TY Bcom conducted the session.
