# Editorial

It gives us immense pleasure to present the college magazine "DRISHTI 2019-20". The title itself is apt in as much as, it depicts a vision - a vision of human consciousness; vision - which helps us decide our course of action; vision - which is not only what meets the eye, but the deep philosophical contours attached to it.

We are really proud and exuberant to acclaim that we are ready with all new hopes and hues to bring out this issue, which is going to surely unfold the unraveled world of the most unforgettable and precious moments of the institution. The year in itself has been an unforgettable one, because we have been witness to the transformed world created by Covid-19 pandemic. This transformed world is so well depicted on the cover page of this magazine where electronic devices such as mobiles and laptops have replaced books.

As said by Joel A. Barker - "Vision without action is merely a dream. Action without vision just passes the time. Vision with action can change the world" - this magazine not only gives us a vision, but also reveals the wisdom, enthusiasm and knowledge of the students to the fullest. It is overwhelming to see that despite going through the harsh times posed by the pandemic, we have managed to keep our inner artists, poets, photographers and writers alive.

I would like to extend my personal thanks to everyone who has been integral in the making of the magazine. I personally believe that the every page of the magazine reflects the spirit and dreams of every Vivian.

I hope you, our dear readers, keep the magazine dynamic by giving your valuable comments and inputs on the college website, thus keeping the spirit of Drishti alive always.

Welcome to the era of Education 4.0  
The paradigm shift from physical classroom to virtual learning has opened all the doors of opportunities to the new pedagogical teaching- learning experience. The focus is now from teaching to learning. This learning to be fruitful and useful has to be incorporated in our day-to- day lives for creating solutions to problems faced by the real world and the real people. The young generation-Gen Z, who will be ultimately the user of this digital revolution, will have to put their best foot forward in understanding the need of technology to overcome the greatest concerns of 21 st Century. The agility in Unlearning-Learning-Relearning will be the new success mantra for achieving excellence.

We at Vivek have taken up the mission to prepare our young Vivians instilling the values of integrity, honesty, humility that will keep them rooted while reaching great heights of excellence in life.

I look forward and wish that each Vivian, portray their individuality with their unique skillset, be a leader to lead others into the right path, be an entrepreneur to enhance individual growth and development of the country, be a responsible human of this planet in preserving and conserving our mother nature and make this world a better place to live in for centuries ahead.

Best Wishes!  
Happy Learning!

# ANNUAL REPORT

“Arise! Awake! and stop not until the goal is reached” - Swami Vivekananda.

The goal is achieved when the society and the institution work hand in hand. We at Vivek College of Commerce believe in this. The importance of education in life is supreme amongst all the riches and virtues of life. It is really beautiful for an institution to grow if people work hand in hand. We follow this virtue and promote a sense of responsibility among students who will become better responsible citizens of the country. We aspire to give our students an atmosphere conducive for them to help them in achieving their goals. The College feels the necessity of growing together with the students as well as with the staff to reach the goal. At Vivek we promote educational and professional achievement through self-development of the student.

The aided section, of the college has 7 departments with enthusiastic faculties working for the betterment of the students. The teachers are well qualified and have a large experience to share their knowledge and resources with the students who are a mixture of well- educated English medium school as well as students from vernacular medium. Faculties take a lot of interest in developing themselves in the form of participating in seminars/workshops/webinars. Some faculties are on the review panel for conferences, as resource persons for seminars and conferences, part of BOS, authors of books in their respective subjects as well as paper presenters and publishers in various UGC approved (04) and CARE list journals (05). Apart from developing themselves they also take care for the development of the students. Various activities for students in the form of webinars, guest lectures, celebrating and observing days like World Environment day, National Energy Conservation Day, promoting students to participate at University level like Avishkar, a research platform to make the students more confident and help to bring in innovative ideas for better learning. The exposure and experience through various academic and co-curricular activities help the students to work harder so as to achieve their goals in life.

The self-financing team of our college is also actively involved when it comes to academics and other extra-curricular activities. The teachers are highly enthusiastic and conduct various field trips like taking the students to Praveen Industries at Igatpuri or to Forge (P) Ltd. at Nashik. Be it a high court visit, or to BSE (Bombay Stock Exchange), teachers help students to understand the importance of hands-on learning experience.

It is a matter of great pride to state that along with the teachers, the students also pursue research activities. Mr. Gopi Nadar and Mr. Poojary Suraj, students of TY B.Sc IT, participated in Avishkar Research Convention, University of Mumbai, Zonal Level and were selected for Final Round district level Avishkar Research Convention held at Fr.C. Rodrigues Institute of Technology, Vashi, Navi Mumbai. Mr. Gopi Nadar of T.Y.B.Sc IT has also been adjudged Best Paper Presenter at the 'National Conference on Emerging Innovations in Information Technology, Prospect and Challenges', organised at S.M.Shetty College of Science, Commerce and Management Studies, Powai. He presented a research paper on 'Tech Helmet: The Smart Helmet.

Our E-cell (Entrepreneurship Cell) team participated in inter-college event NEC (National Entrepreneurship Challenges) organized by IIT Bombay's E-Summit (flagship event). 45 engineering and pharmacy colleges competed together where our college team was the only commerce college to participate and reach the finals.

Guest lectures are conducted for students under career training and placement. The college and its teaching staff try to bring in people from the industry to give guidance to the students on various aspects for their careers. The Career And Placement Cell of the college helps students in finding suitable recruiters by inviting companies/banks like, Motilal Oswal, ICICI, HSBC, Kotak, Muthooth Financial Ltd etc. for placement. Throughout the year, seminars are conducted to motivate the students, to help them in preparing for competitive exams and to enhance their soft-skills. Students were also trained in Tally by STEP Pvt. Ltd. to strengthen their accounting skills. In the event 'Career Fest and Placement Drive' organized by Technoserve in our college and in various other colleges 74 of our students

# ANNUAL REPORT

were successful in securing placements.

Apart from excelling in academics, our college has also been setting benchmarks in the cultural activities. The Art Circle of our college motivates and trains students to participate in individual or group events for various competitions. This year, our students participated in various events at the 52nd Mumbai University Youth Festival and won Bronze medal in Indian Group Song. Our students have also participated at various National, State level and Inter-collegiate festivals organized by different colleges and 4 Open competitions and have won overall 35 prizes in total. One such remarkable achievement has been that of Mr. Sujesh Menon of M.Com. He has been a part of the music team of the University of Mumbai at the State level, Zonal level, National level and the International Youth Festival. At the State level, he won the title of State Level Golden Boy.

Every year, our DLLE (Department of Life Long Learning and Extension) students participate and win laurels for the college in the Udaan Festival which is organised by the University of Mumbai. This year, we participated and won the 3rd Prize in the Street Play Competition as well as the Poster Making competition of UDAAN Fest held at St. Francis Institute of Management and Research, Borivali.

We have many more associations at the college level. The Tamil Malayalam Literary Association (TMLA) and the Marathi Wangway Mandal (MWM) are a few such associations which, like every year, organized grand programmes. This year's TMLA programme theme was "FUSION 2020", wherein the culture and tradition of southern India were presented with great enthusiasm and energy. Our MWM students have participated in different drama events of University Youth Festival such as One-Act Play, Skit, Mono-Acting and Miming. Our Marathi Mono-Acting and Hindi One-Act Play qualified for final rounds. We have also participated in Hindi One-Act Play competition organized by Indian People's Theatre Association (IPTA). Mr. Pareshe More of TYBMM won the 2nd prize in 'Umbartha' Mono Acting Competition organized by Utkarsh Seva Mandal.

In the field of sports, our College Water Polo team has participated in the University Level and occupied sixth place in the inter-collegiate water polo tournament conducted by University of Mumbai.

Achievements of the students at Inter-Collegiate Events/Festivals in carrom and chess have been commendable too, wherein students have bagged the 1st prize (carrom) at 6 colleges, 2nd prize (4 in carrom and 1 in chess) at 5 colleges and 3rd prize (chess) at 1 college.

To name a few more achievements of the college students Mr. Nikhil Mohite of TY (BAF) won the best Photo Award at Imagica on World Photography Day. Six students completed training as LIC insurance agent and one student even got an LIC agency code after clearing the exam. Students of BMS Mr. Shahid Khan, Ms. Fiza Qureshi, Ms. Dhawani Patel presented a paper on "Trials & Trivia of women's Life" at Ghanshyamdas Saraf College.

All these achievements of the college would be incomplete without mentioning our extremely proactive NSS team. Our sincere efforts so far have enabled us to contribute for relief during natural calamities also. When Kolhapur was devastated due to flood in the monsoon of 2019, a relief drive was organised where volunteers invited donations of daily requirements from various people and college staff. The items were collected, segregated and sent to Kolhapur. In the year 2019-20, when the whole world was engulfed in the woes of the Covid-19 pandemic, our NSS volunteers distributed 110 kits containing daily necessities, each worth 430, to Adivasi families in Nandore village in April, 2020.

Our efforts towards making students aware of the society and surroundings bore fruit when the Institution was recognized as 'Swachhta Action Plan Institution' by Mahatma Gandhi National Council of Rural Education, MHRD, Govt. of India.

To conclude, it would not be an exaggeration to say that even in a year full of challenges posed by the pandemic, we have been able to achieve our goals where the students' efforts towards self-development are clearly visible. In future too, our institution is unswervingly dedicated to provide opportunities for its students to grow - as an individual as well as a responsible citizen.

## Motivational Talk to the Students

Alumni Abdul Naveem,  
 Directors of Accenture

20 years ago, I graduated from this great institute but it feels like yesterday. It brings back so many memories. All the teachers here have played a very important role in shaping up not only mine but also lot of my friends and colleagues' career and life. So, I really want to thank all the lovely

teachers. The key to success is being consistent and persistent in what you do. You may have any skills but be persistent and consistent in whatever you do. As a child my inspiration was always my dad. He came from a background where education was never a priority. But he always wanted his children to be educated. He himself didn't study but he was seeing his dreams in us. And that became my ambition, my focus. I am very proud to say that I am still the first graduate in my whole father's clan. The smile that brought on his face, gave me everything and made me accountable and responsible. Why accountability is important because whatever you do in your career, there will be thousands of

opportunities out there. But you will not succeed you do not take the ownership, adapt to the different situations and cultures and most important - be accountable. You will be given n number of task and opportunities and once you show your credibility, trust and achieve the desired results, then people will start backing you. That is how you will start growing in your career. This is not just in your professional life but also in your personal life also. Another important thing I wanted to say is - be open for feedbacks. Lot of us don't like to hear feedbacks. We only like to hear good things about us. That will not help us. Always have passion to learn and improve. Be open to constructive feedbacks, be like a child, always curious. But as we grow, we stop questioning. We feel embarrassed to ask questions or maybe we feel we know everything. But what is happening is, our growth is stopping. Even after sixteen -seventeen years in this industry, I am learning new things every day. And you know, most these are coming from the fresh batch who are joining us with new technologies and I am open to learn from them.

The other very important thing in my career is the way I connect with people. Sympathy is good but you need to have empathy also. You need to understand the difference between sympathy and empathy. I have built and maintained relationship. Networking is the key. Irrespective of levels or designations of people. Success is subjective. I had my own challenges, but there were people who advised, coached and guided me and that can be anybody, your family, your teachers, your friends, your colleagues. I have been fortunate enough to have lovely people around me and that really matters. Hence it is very important as you grow, whether you are in college, corporates or any phase of life, connection to people is important. On personal level I am restless, because I can't relax till something that I own is delivered. The way things are changing in today's world, we as a human being, fail to understand the difference between competition and comparison. There is a very thin line between both. Competition is healthy whereas comparison is not. Competition will help you to excel and comparison will only

bring you negativity. If you compare yourself with your friends, then you will start putting pressure on yourself. So, start competition with ourselves to create a better version of yourselves and cheer one another. That will bring happiness.

Most important thing in my journey is, never forget your roots. Be humble, be approachable and give back to the society. Always be grateful for what you have. There will always be someone who will need help. Try not to be too busy. It's a cycle guys...when it's your turn to hit the paddle, make sure you do it and give your best shot. Treat others as you like to be treated. Respect is not just talking politely. For instance, not honking on road is a way to respect. Not talking loudly in elevators is a way to respect. There are various ways to show respect to people. Have a sense of humour, everyone is stressed, they need a laugh and they are looking out for people who can make them laugh. Finally, I loved to say that some of you might be in first year of college or some of you might be in last year and preparing for a career. But each one of you is unique and have different skills and talents. You know we cannot have ten prime ministers running this country. We can have only one Mr. Modiji, cannot have ten Virat Kohli in cricket team. You have your own skills so be committed to yourself. That is not going to be easy guys. You will definitely have challenges and failures but remember, where there are challenges but are opportunities. Don't let challenges stress you but take it as an opportunity and most importantly no one is going to fight your battle. If you think you can't do anything for yourself, then don't expect anything from others. You are the masters of your own destiny. Keep moving, keep learning and keep inspiring and stay safe.

Thank you.

## College life- importance of friends

**M**y entry into college life after I completed my school education was an important event in my life. I felt excited on my first day in college. I learnt there is a great difference between school and college life. The world in school is narrow and limited, and the world in college is large. Teachers in school is strict and professors in college are like elder brother/sister. In college we have students of all kinds. Some of them would even engage the teachers in class in discussion in different topics including politics. There is a lot of freedom in college then in school. College life is when you start focusing on your career and become serious towards what you want out of your life. It is the mixture of friends, dramas, emotions, learning. It is the golden phase of student's life. Mischievous, disobedience and indiscipline are some salient features of college life. Although there is a fair number of decent mischievous, talkative students.

The students learn a sense of freedom, teamwork, tolerance, cooperation and the spirit of leadership throughout the college life. We can say that students learn the principles of life through reading, testing and competitions. The college life is an opportunity for everyone and should maximum out of it. However college life is an unforgettable experience and we get friends for life. Friendship is important for everyone. Learning to get along with people and work well with them takes many forms and one of them is friendship. In a sense, your friends help mould who you are and help you interact with people around you. Friends help us deal with stress and make better life style choices that keep us strong. Friendship is equally important to our mental health.

## Parents

Parents means what? Simply our love, and who give birth to us and who protect us and way to grow up in our life, instead of all this there are many words for parents. Parents is the first friend in the world from the time of birth the parents support us at each and every problems. Parents is the only one who can make the child world very beautiful. Mom and dad both are well known about their children's like and dislike they help support us at any time and any cost in our life every parents want his or her child in a better & best level in his life no parents will think will think that his or her child life will get damage & spoil. Parents want to see his or her children happy only. Parents is the only person whom never have the jealous feel on their children.

Parents is the first god because we cannot see the god but with the help of parents we can see the god in our life, because like how god protect us like that only parents are protect us, from the mother worm she protect us from every thing after the birth the father and mother both are protect us. But the children did not understand mom and dad love they didn't give value to them at all only few children understand about their parents love least of all only think that parent is a torture but it is not true. If the parents shout on their children or tell to don't do this, children's are only angry on their parents but they never think that the shouting of their parents is goodness for them they have a fear about their children life

they don't want to his or her get spoil is life. We trust friends more than parents and give priority to their friends but it is always not true. We never get to know about their feelings, love or affection with us. From the childhood of the child till the parents whole life they mostly live for us, but we, we get to go in old age home in their old ages we never think how they feel about this, from the birth to till now who take care of us in our life they never think children are weight for them but we what we do only put them in old age home which is wrong. Parents never ask give me jewels, sari's money etc. The only thing they want is love, trust which all they give us we only has to give return to them. After their life is over we only put flowers in front of their photo they all waste of life only for show off so we have to take care when they are with us only.

So finally love your parents be happy with them always & you also support them always

If we respect parents & teachers and living being in the world the world become very beautiful for us  
Its true:

When we are with the father we feel protect and with the mother we feel care, love & we with both of them we feel happy.....

## Irony of feminism

Over the years society, culture and parents, every aspect of women's life taught her to be subdued, inferior. It took ages to flip this coin of inequality. Feminism is a strong word known to people through era's. the theory of the political, economical and social equality of the sexes, which means- "Equality in Gender Roles" In every walk of life, feminism is a revolutionary word which raised the issue of equality in society turning history upside down, but now feminism is all about blame game. People are looking at this concept of feminism as a freedom of choice rather than equality, which is degrading its value. Due to this concept a lot of confusion is growing in the society.

People are acting on impulse rather than understanding the issue. Misusing the gender based laws as it

is a common culture. We got ourself involved in anti-patriarchy, women empowerment issues that we overlook the exploitation of men slogan like "Men and Women are Same" has become a mockery, which is applied only theoretically. If a Women is abused or ill treated , it becomes a hot topic, but at the same time the man becomes a victim is overlooked. Sayed Ahmed Makhdoor's suicide or the 17 years old Gurgaon Boy suicide are best examples. The present scenario of feminism makes it hard for men to support it. The fear of blame attached to the word is always at the forefront It is now our responsibility to preach the true meaning of feminism which is "FEMINISM IS NOT ONLY TO CALLOUT ON MEN, BUT IS A POWER WHICH IS NOT AFRAID TO CALLOUT ON WOMEN TOO"

## Our fragile good moments

How fragile we are in between the few good moments - Jane Hirschfield  
The sunlight seeps into your skin, a warm breeze caresses your hair, the sounds of your home, the voice of your loved ones are music to your ears, the windows are all open letting the light and warmth in. You go out, your feet touching the soft grass, you see the flowers and trees swaying in the gentle breeze, It's like you are wearing a pair of yellow glasses of happiness and right now you really don't care about the walls you built around you or the boundaries you set for yourselves and others. They are nonexistent, and at this moment you feel like you don't need to guard yourself against anything. Life is like sailing a ship in the boundless sea. The good moments are like the calm waves during certain evenings where you get to witness the orange sun submerging slowly into the deep sea, bleeding It's crimson glory in the serene waters, the beauty of the horizon leaving you speechless, and there's a warm wind to comfort you. You wish these good moments last forever.

In the back of your mind, you are well aware that the sea is full of immeasurable uncertainties. But it is at such fine moments that we are the most defenseless and the most vulnerable. Even with the knowledge that this beautiful moment too shall pass, we feel like we are invincible and nothing can do us any

harm. It's the illusion that the good moments have over us that makes us momentarily blind. Makes us feel like we own the world. That's when we forget that we are just a speck of dust in this vast universe. That's when we forget that even the slightest change in the wind's direction, or it's intensity, can alter our paths for the rest of our lives.

The ones who learn to enjoy the few good moments, cherish them instead of taking them for granted, those who look past the illusion and constantly remind themselves that they should be ready to accept any kind of change at any given moment, can enjoy the beautiful sunset and are yet ready to reef the sail when the warm wind changes into a wild hurricane, those who are aware of the fragility in their happiness and their own vulnerability, those who have accepted the fact that nothing ever lasts forever but still holds on to their hope to move forward and are ready to face life as it comes will have truly learnt how to live life. There's beauty in being able to be vulnerable. Vulnerable (brave) enough to move ahead, carrying all our little pieces together even with the knowledge about the fragility of our happiness.

You will bloom in the way you are meant to be, just you yourself have that Power to recognize your talent. You must have positive state of thoughts. ## The change you desire

**N**ever in my wildest dreams I ever thought that someday I would be spending my so called premature spring break stuck within these four walls, it's quite a situation to suck up with, but within few days we decided to make our peace out of it; not just we have to but something we need to for our own well-being.

Besides if we don't take moment and look up to the brighter side, we could miss out the true essence of the situation, where we could find ourselves in a place where time isn't a controversy anymore, everything seems to be at peace, no more commotion to make us break a sweat (not anymore). Perhaps our life has slowed down a bit (agreed) but it doesn't mean we let situation like this define us, when we could literally bring the best out of it.

Keeping up with that spirit I made an escape from my comfort to try on new things and decided to brush up on my painting skills which I believe needed much more than a gentle brush up, later I #challenge myself to do a portrait painting of my little sister which came out pretty decent for a beginner and likewise took out time to get back on my dancing feet after a yearlong break, refurbishing those postures, mudras (Bharatanatyam) was quite a task when you fuse it with your workout regime alongside. During the process of revamping myself I was exposed to the possibilities that my parents put up in such catastrophic situation by making an

effort of offering food grains to family in need rather than hoarding up the stuff (most likely to do), which made me realize that situation like this can only make us stronger and help us to tap into our potential which once was beyond our artistry, because what the world needs right now is solidarity which will help us to overcome this pandemic and build a better and healthier world for all to thrive.

Circumstances like such its crucial for one to be well informed and to avoid the possible scams all over the internet which could be misleading and for sure create a chaos, so to counter it on individual level I signed up for the webinars conducted by some of the recognized educational institutions based on the Trends on Covid19, (special thanks to my colleague for recommending) those webinars that helped in widening my horizon in times like these, since its rightly said, "Whenever the people are well-informed, they can be trusted with their own government" (Thomas Jefferson)

Irrespective to what you do during this intermission, remember this one thing, that nobody in this world is born with talent, we need to work on it, to call it a talent. So, this would be a great opportunity to venture one or get another one, since, "You can't use up creativity. The more you use, the more you could ever have."

## Economy of migrants

On 11 February 2020, WHO announced a name for the new coronavirus disease: COVID-19. They declared the COVID-19 pandemic as a global health emergency. The pandemic and consequent lockdown have hit various sectors and industry like Agricultural industry, Food processing, Mining, Aviation industry, Film industry, Rail transport, etc. many Indian people lost their jobs and they are jobless at this time.

If we see in many sectors there are more migrant people are working in an industry migrant people from different states and cities are working in Mumbai also, Mumbai is known as city of dreams. So many people from different states coming to Mumbai in the hope that they will get an employment opportunity to fulfil their dreams some of them are literate and others are illiterates. They search for jobs in different location and set up their family.

There are many industries are contributing most of their contributions to Indian economy, for example Agriculture industry: it is contributing 17 – 18 % to countries GDP and now a day's agriculture is being forgotten by so many villages because so many farmers are not getting an exact reward as compare to their investment. So, they started searching jobs in cities with the only reason people are migrating to the cities like Mumbai. And COVID 19 pandemic forced them to go back to their village and they are unable to go back.

Service sectors contribute in a large scale to our economy, it contributes around 53.66% to India's GDP. Reliance industry, ICICI bank, HDFC bank, Tata consultancy services are the top most service sector companies in India. Literate migrants from different states are working in so many service sectors and they shifted to cities where they get job.

One of the main sectors where the most of the people are working is aviation sector currently it is contributed Rs. 33,000 crore or 0.5% of India's GDP and supporting 1.7 million jobs. 1.7 million people got employment because of aviation industry, both in rural and urban areas literate and illiterate people got employment opportunities. Industrial sector contributes 31% to countries GDP.

Not only this sectors that I mentioned there so many others sectors where migrant peoples are working, but now by this CORONA VIRUS these migrate people facing so many problems, some of the problems I explained below.

For example: -

People from DHARAVI Mumbai, are belongs to TAMILNADU in this COVID-19 pandemic they lost their jobs and they are jobless and they started thinking to leave Mumbai and go back to their hometown in this situation they don't have money to go back to their hometown, but government helped them government provided so many necessities like free rail tickets and so many NGO's and trusts provided food and hand sanitizers and vaccination to the people those are in trouble. And they made their journey happy and safe.

There is one famous case of a cycle girl called JYOTI KUMARI, the teen age girl who travelled over 1200 kms from Gurugram

to Darbhanga in Bihar, carrying her wounded father on the back-side pillion of her cycle. Like this so many migrated people came from different parts of the India to Mumbai not only Mumbai there are so many places where migrants are stuck and they don't have any other option to go back to their own native place.

Due to corona lockdown some of the migrant people started walking towards native and some of those are started travelling by domestic vehicle like scooter, motor bike, autorickshaw, tempo's etc. a pregnant woman started travelling by foot from Nashik in Maharashtra to Satna in Madhya Pradesh her native place and on her way to her native she delivered a baby and walks another 150 kms finding for help.

Why they migrated from Mumbai to their home town in this COVID 19 pandemic?

- They don't have money in their pocket &
- The fear of COVID.

The city of Mumbai provide employment but it is very difficult to buy home/ property, most of the migrants are belongs to IT Industry, Hardware engineering, Construction industry, Hospitality industry, Municipal corporation etc. they are working in industry but COVID 19 pandemic forced entire industries to shut down, and the employees are jobless and they don't have money to go back to their hometown because all the industries are closed. Most of migrants are coming to India.

Conclusion: As we all know migration means moving from one place to another for any purpose it may be domestic or international, some of international migrants moving outside our country for different purposes like for higher education, business, tourism, etc. but some of the migrants migrate in between their own country that is domestic migration between one state to another or one district to another. Some of migrate people come to cities like Mumbai. Migrant people are living and working in different private sectors or industries, but most rural girls have a dream to become a star in cinema world or to become a beautician with many hopes and dreams. They come to cities and they start working in fashion/film industries and they face too much of social crimes some of those stand against the crime and some of those do not have the power to face the social crimes because they want to become a star in that particular industry.

Some migrants who had gone abroad with the only intention to earn money, in this pandemic situation they got stuck there and they were not able to come back to their mother land.

Most of unskilled labours in Mumbai comes from Uttar Pradesh, Madhya Pradesh and Tamil Nadu etc.

They work in BMC's Construction field, hospitality sides etc. and some of them are self-employed people. Pandemic hit them very badly because most of them are daily wage earners.

## Economy post covid-19

On 11th March, 2020 WHO recognised CORONA as a pandemic. This has really negative impact on our Indian economy. By CRISIL it was stated that this may be India's worst recession since independence. In India, the problem would be more serious as compared to other countries because our economy was not stable during before COVID hit India.

All the companies are closed, the whole market is down, people have been jailed at home. Transports are stopped. We can't find goods for daily use. Problem has come. If it is not resolved soon, then the problem will increase further.

**STARTING OF RECESSION:** Recession is declared when GDP become negative for two consecutive quarters. Our GDP is started declining from January 2018, and there is no doubt that is for quarter we will see a huge decline in growth rate. There is no big expectation that our economy will recover till 2022.

This crisis impacted global economy with world economy, we have more BPL people. we have 135 crore people which is in crisis.

**A high level of unemployment and inflation:** we need to understand that COVID has impacted both demand and supply. The chain of supply has totally damaged, and this lockdown will not so easier.

If we talk about demand the demand rate also less as compared to pre- COVID situation. If we don't have money than how will generate demand, then how will purchase products, likewise if no one will buy any product than how firms will produce them? Because firms have to pay their employees too. If the firms do not produce than how they will earn profit and how they will be able to pay for their employees. It's a chain.

**NO PROFIT = NO EMPLOYMENT.**

Business will reduce their employees. There will be lesser goods in the economy sold at a higher price.

The lowest statistics of the society will suffer the most: lets divide money in terms of flow and stock.

In this lockdown those who have stable jobs and earning income have a stable flow of money. For example: accountants, business men's, etc. are working from home and they have stable money flow.

But those who don't have permanent job, but have some savings which can be through stocks, provident funds, etc. will suffer in this period by finishing those stocks and by withdrawing their PF money.

Now, what about those who are daily wage earners: - In our country these people suffer the most because they don't have any deposits and they don't have any stocks as well.

· Service and technology sectors are suffered very badly by this COVID-19 or by this lockdown. For ex: Automobile sectors, travel and tourism, aviation industry, can't be recover very soon. And there is a very little hope for these industries to earn an income like they earn Pre-COVID period. These are highly impacted sectors in terms of risk on account of COVID-19. The low impact sectors are education, dairy products, fertilizers, healthcare and all.

· Investment: It's an important part of our GDP, a delay in investments would make a recovery very difficult.

Now we are at a point where government should give money to

the people so that they can buy. I think now India should start creating its own social medias like TikTok and Facebook, google, twitter, etc. There is no need to ban Twitter and all, just open an Indian alternative to twitter and let every Indian politician, film actors, Government staffs in prestigious post to joint it, people will automatically start migrating to Indian websites. Then Indian market and economy will also increase. India should look this pandemic as an opportunity. Otherwise, we will be on our foot begging at IMF or World bank.

Most of small-scale industries are closed in India. This results in crores of job losses. At the same time people belongs to major cities like Pune, Maharashtra, Nashik, Bangalore and Gujarat are going back to their native place. So, native migration is happening.

**Major impacts:**

· **UNEMPLOYMENT:** Due to lock down daily workers like vegetable sellers, fruit sellers etc. lost their income and other daily or weekly income earners lost income. Some of people causes economic and mental stress problems.

· In our country 53% of business effected.

· Indian economy was expected to lose over Rs. 32000 crores every day during heavy lockdown if continued.

· Companies like Ultratech cement, Aditya Birla group, Tata motors, have reduced their operation.

· **POOR DEMAND ON GOODS AND SERVICES:**

· various business such as hotels and airlines are cutting the salary of employees. In fact, some companies are lying off employees.

· For ex: - Zomato and Swiggy dismissed their 2000 employees.

· On 23rd march, stock markets in India posted their worst losses in history.

· Tourism is known as the main source of income to the government, which is closed now.

Recession is already started and Indian government did not plan for it.

We lost 40 lakhs crore from our part of GDP, and we have 46% of population.

**Conclusion:**

As a student I can surely say our economy will come back to the peak, but it will take some time. How much time it will take that no one knows? But we can hope for the best.

· 46% of our population depends on agriculture,

· 11,89,826 businesses are currently active,

· 11.45 million people are working in a private sector,

· 13% institutes and universities we have,

· 74.04% are literate.

We can survive in this pandemic but think about those who don't have any income during lockdown. They have biggest question mark to run their family. They don't have any other option to satisfy their wants after the lockdown for sure they will find job. Surely, I can say every one of them will not get employment till our economy will grow.

Therefore, we should support them as much as we can.

Stay safe, stay home.

## Should religion be taught in school ?

**R**eligion provides an individual with moral and ethical ideas that help instill good values and shapes an individual's character. From Christianity to Hinduism, Islam and other religious sects, each religion teaches values to do good unto others and be kind to fellow human beings. This is instilled in childhood by their parents, and the children grow up with these values. So, the question is, should religion be taught as a subject in school?

Religion is a positive subject that helps to provide character development to a child so as to live a moral and ethical life. Since many religions have strong ethical and moral values, it provides a basis for introducing ethics and morals to children. Hence, teaching religion as a subject is an excellent way to teach values to the students. Religious education also provides a broad sense of awareness to children from different religions. Children can have a more logical and well-rounded perspective on different faiths and religious beliefs so that they can choose to think and what they want to believe themselves, instead of it being that they are taught religion is a fundamental fact by their parents. One reason I feel there are so many issues with religions is that people are not taught to be open about other religions while growing up. Religion is a very personal thing, which is taught by their family. So, if a person feels attacked on their beliefs, they take offense personally. Teaching religious education will increase children's tolerance and respect towards other cultures, ethnicities and ways of thinking which encourages a child's choice of belief and gives them a better understanding of the world around them.

While many religions do teach positive values about love and kindness, those very religions teach values that could advocate

violence. For example, in the Old Testament contains some stories that seem to condone violence, which would be inappropriate to teach to a child. With this in mind, many would argue that the violence in these religious teachings combined with positive messages of love and peace could confuse the students and would become a difficult topic to teach. Therefore, the violence and judgmental viewpoints in some religions cause many to question whether teaching religion is a good idea, or that teaching many religions can confuse the children and they might question the religious beliefs of their parents. This may create negative thinking which might affect the child's relationship with their parents. Also, a teacher may be biased toward his/her religious beliefs and might enforce it on the students, when teaching them.

Religion is a sensitive topic, but I personally feel that religion should in fact, be a subject taught in schools. That too, there shouldn't be focus on only one religion, and instead, the ideals of several religions should be taught to students, as it encourages personal reflection in them, which promotes equality and makes them realise that religion shouldn't be a barrier between communities as all of them have similar morals and values. But care should be taken by the school authorities when making the curriculum, which should be based on the basic concepts and religious beliefs and shouldn't be enforced upon the students. Every person has the right to practice whatever religion they believe in and shouldn't be governed by other's thinking, since all of us are the same, and whatsoever our religion is, it doesn't change our humanity.

## Family

Everyday feels like reaching towards nil,  
Falling apart yet so close,  
How will the gaps fill?  
Seems like time has froze.

Engrossed in electronic gadgets,  
Doing what we're said to do,  
All wearing the 'family' badges,  
Still there is a lot we go through.

But trust me the day will arrive,  
When you all will realise,  
That we all are more than just alive,  
And life is not just what we glamourise.

All eyes on our smartphone,  
Responded by making small noises,  
We will be free from this barred zone,  
It's time to be clear, it's time to hear each other's voices.

A stray butterfly I did spot  
And one more followed to join its lot  
The chirping sounds fill the air  
A few dogs lazing about here and there

## The Donkey Ayyappan

At the foothills of Shabarimala, at Pampa  
in the pathway leading through \_Sharamkutthiyaal\_  
In the scorching afternoon Sun  
piercing sharply like arrows,  
helpless herds of donkeys climb through the \_Neelimala!

Hanging on both sides of their stomachs  
are the overweight gunny bags on their back.  
Inside those heavy bags are articles  
meant for use in the holy shrine.  
They contain various articles for providing  
more and more amenities to the crores of devotees!

Under the unbearable intense pressure  
of the huge cement bags hung on their backs  
their poor lungs are pathetically unable  
to relax, expand to draw air!  
The ruthlessly tied tight rope held  
over their backbone  
is soaked red in blood oozing from their badly wounded skin!  
The upper end of the rope while held tight,  
the pressure of it taking its toll by bruising breaking their tail  
base!

While the herds boy pokes his stick on their never-to-heal  
wounds,  
bearing it all silently, though in utter pain!  
When the stick is poked on the wound  
their eye-ends turning moist with tears shed in unbearable  
pain!

Their faltering feet, struggling to get  
a proper foothold on the round ball shaped stones  
on the path that are  
iron hot from the scorching Sun!  
Yet, their \_praana\_ throbbing in intense pain  
they continue climbing the high mountains  
silently! benevolently!

They climb half running, faster than  
the humans who too are climbing loudly calling out, chanting  
\_Sharanam!\_  
While seeing them thus climbing up faster  
with their necks hung down,  
were there any devotees who too hung their heads in sympathy  
and pain?  
"Oh! God Ayyappa, i cannot bear to see this sight"  
Have any devotees ever shouted, chanted thus to God, in  
despair?

" Make way please, here come the Donkey Ayyappaas! "  
a slogan of such words echoes in the air!  
What ...Donkey Ayyappa?  
Aah! What a great vision!  
Verses! If they are not merely chanted as mere words!

O! the devotees who go on climbing the mountain,  
O! those who raise their voices to loudly call out \_Ayyappa  
Sharanam\_  
Behold everything as Ayyappa, you should,  
when you have worn the \_Maala\_  
on you, vowing to climb the mountain!

What high an ideology of life!  
What a great spiritual philosophical consciousness indeed  
that is!

This \_Devayaanam - \_journey that elevates us to Godliness,  
this journey of ascending the sacred 18 steps,  
is to practically implement in our lives  
the practice of \_Eeshaavaasya, \_  
given to us by our ancestors!  
See everything as Ayyappa himself, you ought to  
When you have worn the \_Maala\_  
on you, vowing to climb the mountain!

All that has become unknown to us today!  
Everything has turned into mere formal rituals!  
If God is eternal truth,  
If God is \_Bodhaswaroopo- \_ manifestation of consciousness,  
If we are meditating upon that \_Bodhaswaroopo\_  
then shouldn't we be rising  
higher in \_Bodha- \_ consciousness?  
Devotion, today to us,  
is it not an intoxication of some huge fanatic frenzy?  
God, today to us, is it not a personification of that  
which must kiss and endorse  
our likes and wishes?  
Sacrifice, we have very much forgotten!  
Selfishness and enjoyment  
we are immersed in!  
We are those who kick our fellow brothers  
even on the sacred 18 steps,  
as if in the battlefield!

We have come to be in a state where  
we don't feel nor know the pain of others!  
We rise and become mountains of knowledge  
with absolutely no spring of compassion flowing in us!

In the land where,  
when a hunter with his arrow  
shot a bird couple  
and where the pain of that bird  
spread all over the land  
in the form of a song,  
in that very same land, people have become  
ones who never bother to turn back and look  
even on hearing unbearable wails of a fellow human being,  
then how can they be expected to see and understand  
the accumulating pain of a poor donkey, bent with burden!

O! the ones who, to wash off your sins  
having taken a dip in \_holy pampa\_  
who have entered the \_holy poonkaavanam\_  
While coming did anyone of you happen to see at all  
an agonising painful truth lying on the wayside!  
\_A Donkey Ayyappa\_ with legs paralysed  
lying there in \_Neelimala!  
It lies there scorching in the afternoon Sun  
With none to even give it a few drops of water!  
Throbbing under the hot afternoon Sun, it has to die  
no other destiny for it here!  
None will turn to even look at the poor load bearer  
because it is four legged!  
Once it dies people will come

to cremate it on the wayside itself  
and the poor fellow's ashes,  
the wind will blow away and deposit it  
to be flown in the holy waters of \_River Pampa \_

None of you walking on and on,  
calling out \_Sharanam\_  
Will know nor notice this cruel stark-naked truth!  
But then the compassionate eyes of the poet  
will definitely reach up to  
the root of this intense agony!  
Who else is there in this world to put into words,  
the woes of those beings who cannot speak?  
For, the poet is indeed the human  
whose heart gets touched  
with the woes of the soil and  
that of the tree as well!  
Yet, in light of the truth of \_Ayyappa \_  
let me doubtlessly ask one thing!  
Those who seek and expect kindness  
from \_Ayyappa\_ - the God,  
Aren't they themselves also expected to show kindness?  
Wherever pain is found,  
to give consolation there -

is it not Ayyappa Seva -  
Service to Ayyappa?  
Wherever cruelty is found,  
to go there to forbid it -  
is it not Ayyappa Seva?  
The living being who moves around  
as \_The Donkey Ayyappa \_  
look into its eyes begging for kindness!  
Look into the badly infected wound  
on the back and bottom of this animal moving around  
as \_The Donkey Ayyappa! \_  
Don't you have anything,  
a word to say about  
this sight on this sacred path to diety?

## Gandhian thoughts - tolerance

**S**amvel goldwyn" remarked "ninety percent of the art of living consists of getting on with people, one cannot stand."

This statement beautifully signifies the importance of tolerance in today's world. Tolerance refers to the respect the views, beliefs and practices of others that differ from one's own value judgements on others. One should have the ability to reflect on one's own views, beliefs and practices, and to find out, if there are any limitations or drawbacks. One should also try to accommodate the view point of others.

Tolerance is closely related to justice. One cannot do justice without tolerating the view points of others. A tolerant person believes in the principle of "to live and to let others live in peace". A tolerant person does not believe in superiority. He does not consider that his views and beliefs are ultimate. He does accept the fact different individuals have different viewpoints, and therefore, the multiple viewpoints should be respected as long as such viewpoints make sense.

Tolerance is needed whenever differences arise. When there are differences and compromise is not possible, then tolerance is required on the part of each party to accept and respect each other's point of view.

According to, Joshua .I.liebman "tolerance is the positive and cordial effort to understand another's beliefs practices, and habits without necessarily sharing or accepting them."

Normally, a tolerant person expects others not to interfere with his or her legitimate activities. He in turn would not interfere in others legitimate activities. In a tolerant society,

one can explain and guide, counsel, and convince others but never dictate to them.

- importance of tolerance in life
- peace and harmony: tolerance enables people to live in peace and harmony. Tolerance gives importance to justice and equity. Tolerant persons do not believe in social discrimination on the basis of caste, race, religion, to co-exist and live in peace and harmony. But in recent times, intolerance is gaining ground in our society.
- The media can play an important role to protect the interest of our society by condemning these anti-social elements.
- facilitates co-operation: tolerance helps to gain co-operation from others. Tolerance is required at all places, be it at home, office, social gatherings, neighbourhood, etc. Through tolerance, one can get co-operation from others and co-operation can bring wonderful results to everyone concerned. Thus, tolerance not only results in peace and harmony but also brings prosperity to individuals and the entire nations.
- develops relations: tolerance helps to develop good relations with others. When one accepts and respects the view points of others, then others do the same in return. Therefore, tolerance is vital in developing a sense of good fellowship among the people.

## Gandhi's images and reflection on women's strength

The strongest actions for a woman is to love herself, be herself and shine amongst those who never believed she could." "A strong woman builds her own world. She is one who is wise enough to know that it will attract the man she will gladly share it with."

This is the story about a lady where she has sacrificed a lot for india with husband Mahatma Gandhi and that lady is known as Kasturba Gandhi.

Kasturba Gandhi is that lady where she has sacrificed for everything for the country. She was became a freedom fighter of our country she worked with mahatma Gandhi everywhere and where he wants her help she has helped in every moment. Kasturba Gandhi was not even educated but mahatma Gandhi thought her everything about the education in the small years Kasturba Gandhi got married at the age of 15 at that time she stop the education for herself and she was a helping hand for mahatma Gandhi . in 1917 kasturba Gandhi focused on helping the welfare of women. Kasturba Gandhi was like she didn't studied but she wants that our indian women's should study so she started the work for women's education in that she only focused in that part.

But later on when mahatma Gandhi was in jail she is the only lady who has fought the freedom for india Kasturba was not that much knowledge but she has a freedom fighter energetic women.

Kasturba Gandhi and their women team go to village by village for knowing that how to work and how to spin khadi etc.

Kasturba started fight for social justice and began much before the struggle for indian independence ,in 1913 she protested against inhuman working condition of Indians in south Africa for which she was punished with a three month prison sentence.

She was a active presence in non-cooperation and civil disobedience movement. She became a face of khadi and a champion for empowering women's. she got arrest also for the role of quit india movement but that time Kasturba Gandhi didn't gone behind she was straight forward with that movement. Then at that movement Kasturba Gandhi join hand

with mahatma Gandhi for satyagrah. This lady has done many things to remember for as a women's strength. She also educated women's on how to maintain physical hygiene and she participated in nonviolent protest in Rajkot.

She is a inspiration for each and every women's in our country. She opened her house to the nation and the freedom struggle and supported her husband and his efforts.

She was a dedicated lady in that she has sacrificed a lot and then also she was a biggest women's inspiration she has educated the women's in her locality she teached them the khadi spinning and she joined her hand in freedom struggle also .

She was to work with indigo farmers. She taught discipline and health. As Gandhi launched quit india movement and civil disobedience Kasturba Gandhi was a front linear at there agitations. She often step into the role of leading women.

Kasturba Gandhi also played a active role in the borsad satyagrah of 1923-24.

And the bardoli satyagraha of 1928.bardoli had set a new example as this was the first time that the rural women also participated in the freedom struggle.

Kasturba Gandhi will always be remember as the best lady and freedom fighter of our country and also the inspiration of all the women's.

Conclusion : Women can be powerful actors for peace, security and prosperity when they participate their formal is for decision making processes, they even play in the important role in the initiating and inspiring progress in human rights, justice, national reconciliation. They can also be build across their sectarian lines and speak up for marginalized and minority groups. And this era the women's are becoming well strength and they can do everything and every job in day to day life without any hesitation.

"She was powerful not because she wasn't scared but because she went on so strongly, despite the fear."

## महिला सशक्तीकरण और कानून

आज के समय में महिला से सशक्तीकरण एक चर्चा का विषय है पिछड़े और प्रगतिशील देशों में क्योंकि उन्हें इस बात का काफी बाद में ज्ञान हुआ के देश कि संभव नहीं है।

भारत में महिला सशक्तीकरण के मार्ग में आनेवाले बाधाएँ

१) सामाजिक मापदंड पुरानी और रूढ़िवादी विचार धाराओं के कारण भारत के कई सारे क्षेत्रों में महिलाओं के घर छोड़ने पर पाबंदी होती है एस तरह के क्षेत्रों में महिलाओं को शिक्षा या फिर रोजगार के लिए घर से बाहर जाने के लिये आजादी नहीं होती है इस तरह के वातावरण में रहने से महिलायें खुद को पुरुष से कमजोर समझने लगती हैं और अपने वर्तमान सामाजिक और आर्थिक दशा को बदलने में नाकाम शाबित होती है।

२) कार्यक्षेत्र में शारीरिक शोषण कार्यक्षेत्र में होने वाला शोषण भी महिला सशक्तीकरण में एक बड़ी बाधा है निजी क्षेत्र जैसे कि सेवा उद्योग सॉफ्टवेयर उद्योग शैक्षिक संस्थाएँ और अस्पताल एस समस्या से सबसे ज्यादा प्रभावित होते हैं।

कार्यक्षेत्र में होनेवाला शोषण भी महिला सशक्तीकरण में एक बड़ी बाधा है निजी क्षेत्रों में महिलाओं का योगदान अत्यधिक आवश्यक है ये यह समाज में पुरुष प्रधानता के वर्चस्व के कारण महिलाओं के लिये और भी समस्याएँ उत्पन्न करता है।

३) लैंगिक भेदभाव भारत में अभी भी कार्यस्थलों में महिलाओं के साथ काफी भेदभाव किया जाता है कई सारे क्षेत्रों में महिलाओं को शिक्षा और रोजगार के लिये बाहर जाने कि भी इजाजत नहीं होती इसके साथ ही उन्हें आजादीपूर्वक कार्य करने का परिवार से जुड़ी फैसल लेने लेने कि भी आजादी नहीं होती है और उन्हें सदैव हार कार्य माईन पुरुषों कि अपेक्षा कम हि माना जात है एस प्रकार के भेदभाव के कारण महिलाओं कि सामाजिक और आर्थिक दशा बिगड जाती है।

४) भुगतान में असमानता भारत के महिलाओं को अपने पुरुष समक्षों के अपेक्षा कम भुगतान किया जात है और असंगठित क्षेत्रों में यह समस्या और भी जादा दयनीय है। खासतौर से दिहाडी मजदुरी वाले जगह पर यह सबसे बदतर है। संगठित क्षेत्रों में काम करनेवाली महिलाओं को अपने पुरुष समक्षों कि तरह समान अनुभव और योग्यता होने के बावजूद पुरुषों कि अपेक्षा कम भुगतान किया जाता है।

अशिक्षा:- महिलाओं में अशिक्षा और वीच में पढाई छोड़ने जैसी समस्यासे भी महिला सशक्तीकरण में काफी बड़ी बाधाएँ है। वैसे तो शहरी क्षेत्रों में लडकीया शिक्षा के मामले में लडको के बराबर है पर ग्रामीण क्षेत्रों में इस मामले में काफी पीछे हैं। भारत में महिला शिक्षा का दर ६४. ६ प्रतिशत है जबकी पुरुषों कि शिक्षा का दर ८०. ९ प्रतिशत है।

बाल विवाह :- हालाकी पिछले कुछ दशकों में सरकार द्वारा लिए गए प्रभावी फैसलों द्वारा भारत में बाल विवाह जैसी कुरीतियों में काफी कमी आई है परंतु २०१८ में युनिसेफ के एक रिपोर्ट द्वारा पता चलता है कि भारत में हर वर्ष लगभग १५ लाख लडकीयों कि शादी १८ वर्ष के पहले

कर दि जाती हैं।

महिलाओं के विरुद्ध होने वाले अपराध:- भारतीय महिलाओं के विरुद्ध कई सारे घरेलू हिंसाओं के साथ दहेज आनर किलिंग और तस्करी जैसे गंभीर अपराध देखने को मिलते हैं। हालाकी शहरी क्षेत्रों कि महिलाएँ और ग्रामीण क्षेत्रों कि महिलाएँ दोनों अपराधिक हमलों कि शिकार होती हैं। सही मायनों में महिला सशक्तीकरण कि प्राप्ती तभी कि जा सकती है जब महिलाओं कि सुरक्षा को सुनिश्चित किया जायेगा।

कन्या भ्रूणहत्या:- कन्या भ्रूणहत्या या फिर लिंग के आधार पर गर्भपात भारत में महिला सशक्तीकरण के रास्ते में आनेवाली बड़ी बाधाओं में से एक है। कन्या भ्रूणहत्या का अर्थ लिंग के आधार पर होनेवाली भ्रूणहत्या से है, कन्या भ्रूणहत्या के अनुसार हि हरियाणा और जम्मू कश्मीर जैसे प्रदेशों में स्त्री और पुरुष लिंगानुपात में काफी ज्यादा अंतर आ गया है।

भारत में महिला सशक्तीकरण के लिए सरकार कि भूमिका :- भारत सरकार द्वारा महिला सशक्तीकरण के लिए कई सारी योजनाएँ चलाई जाती हैं। महिला एवं बाल विकास कल्याण मंत्रालय और भारत सरकार द्वारा भारतीय महिलाओं के सशक्तीकरण के लिए कई सारी योजनाएँ चलायी जा रही हैं।

इन्हीं में से कुछ मुख्य योजनाएँ हैं:-

१. बेंटी बचाओ बेंटी पढाओ योजना
२. महिला हेल्पलाइन योजना
३. उज्वला योजना
४. महिला शक्ति केंद्र
५. पंचायती राज योजनाओं में महिलाओं के लिए आरक्षण
६. पुलिस में महिलाओंको आरक्षण अद्ध सैनिक बलों में महिलाओं को आरक्षण

निष्कर्ष :- जिस तरह से भारत सबसे तेजी से आर्थिक तरक्की प्राप्त करनेवाले देशों में शुमार हुआ है, उसे देखते हुए निकट भविष्य में भारत को महिला सशक्तीकरण के लक्ष को प्राप्त करने पर भी ध्यान केंद्रित करने कि आवश्यकता है। क्योंकि इसी के द्वारा देश में लैंगिक समानता और आर्थिक तरक्की को प्राप्त किया जा सकता है।

"यत्र नार्यस्तु पूज्यन्ते रमन्ते रमन्ते तत्र देवता" :-

मनुस्मृति के अनुसार:- "जहाँ स्त्रियों का सम्मान होता है, वहाँ देवी-देवता निवास करते हैं। जिन घरों में स्त्रियों का अपमान होता है। वहाँ सभी प्रकार कि पूजा करने के बाद भी भगवान निवास नहीं करते हैं।"

# शिक्षित महिला शक्ति का प्रमाण

महिला सशक्तीकरण के बारे में जानने से पहिले हमे ये समझ लेना चाहिए कि हम सशक्तीकरण से क्या समझते है। सशक्तीकरण से तात्पर्य किसी व्यक्ति कि उस योग्यता से है जिसने वो अपने जीवन से जुडी सभी निर्णय स्वयं ले सके। महिला सशक्तीकरण के इस लेख मे भी हम उसी क्षमता कि बात कर रहे है जहाँ महिलाये परिवार और समाज के सभी बंधनो से मुक्त होकर अपने निर्णयो के निर्माता खुद हो। महिला सशक्तीकरण मुद्दे पर कई तरह कि चर्चाएँ और कई तरह के राय लोगो द्वारा दी जाती है। अक्सर कहा जाता है कि किसी भी देश कि तरक्की तभी हो सकती है जब उस देश कि महिलाओका विकास सही से किया जाय। वही इस वक्त महिलाओंके विकास के लिये पुरी दुनिया में कई तरह के कार्य भी किये जा रहे है। ताकी नारी शक्ति को हर क्षेत्र में बढ़ावा देने के लिये प्रोत्साहन किया जा सके। वही इस सदी में भी महिला सशक्तीकरण करने के मुद्दे का जिक्र करना, इस बात को साबित करता है कि अभी भी महिलाओका विकास पुरी तरह से नहीं किया जा सका है।

वही अगर आप लोगो को ऐसा लगता है कि केवल भारत हि ऐसा देश है, जहाँ पर महिलाये अभी भी केवल एक गृहिणी के रूप में जानी जाती हैं, तो ऐसा बिल्कुल नहीं है। भारत के अलावा अभी भी दुनिया के नक्शे में ऐसे कई देश मौजूद हैं जहाँ पर महिलाओ का विकास ना के बराबर है। हमारे देश में नारियो कि क्या परिस्थिती है, इस बात का अंदाजा इस चीज से हि लगाया जा सकता है, कि अभी भी भारत में ऐसे कई गांव हैं जहाँ कि महिलाओंका जीवन घर कि चार दिवारो तक हि सीमित हैं। इतना हि नही हमारे देश में काम (नौकरी)करणे वाली महिलाओं कि संख्या भी अन्य देशों के मुकाबले कम हैं। हमारे देश कि ज्यादातर पढी-लिखी महिलाये भी इस वक्त अपने हक के लिये कुछ भी नहीं कर पा रही हैं उनको ना चाहते हुए भी ऐसा जीवन जीना पड रहा है, जिसके वो विरुद्ध हैं। महिला सशक्तीकरण का मुख्य लाभ समाज से जुडा हुआ है। अगर हम लोगो को अपने देश को एक शक्तिशाली देश बनाना है, तो उसके लिए हम लोगो को समाज कि महिला को भी शक्तिशाली बनाने कि जरूरत है। महिलाओंके विकास का मतलब होता है कि आप एक परिवार का विकास का कार्य कर राहे है। अगर महिला शिक्षित होगी, तो वो अपने परिवार को भी पढा-लिखा बनाने कि कोशिश करेगी। जिसके चलते हमारे देश को पढे-लिखे नौजवान मिलेंगे। जो कि देश कि तरक्की मे अपना योगदान दे सकेंगे। घरेलू हिंसा एक ऐसी चीज है, जो कि किसी भी महिला के साथ हो सकती है।

ये जरूरी नही है कि घरेलू हिंसा केवल अनपढ महिलाओंके साथ ही होती है। शिक्षित महिलाएँ भी इस तरह कि हिंसा का शिकार होती है। बस फर्क इतना होता है कि जहाँ पढी-लिखी महिलाएँ इसके खिलाप आवाज उठाने कि हिम्मत रखती है। वही अनपढ महिलाएँ ऐसी हिंसा के विरुद्ध अपनी आवाज उठाने से डरती है। वही अगर महिलाओं का विकास किया जा सके तो हमारे देश में होने वाली घरेलू हिंसा में ना केवल कमी आएगी, बल्की महिलाएँ घरेलू हिंसा करणे वाले आदमी को सजा भी दिलवाने के लिए आगे आयेगी। हमारे देश मे लडकियोको बचपन से ही सिखाया जाता है कि उन्हे आगे जकार केवल घर कि हि देखभाल करनी है। अभी भी गांव मे पढाई से ज्यादा लडकियोको घर के काम सिखाये जाते है। जो ना सिर्फ लडकियो के भविष्य के लिए गलत है बल्की देश के लिए भी नुकसानदेह है। देश मे अशिक्षित लडकीया होने का मतलब है कि देश कि करीब ४०% आबादी का अशिक्षित होना। अगर हम अपने देश कि लडकियोको आत्म निर्भर नहीं बनने देंगे, तो हमारे देश कि महिलाएँ केवल रसोई तक हि सिमित रह जाएंगी।

महिला सशक्तीकरण का जो अगला सबसे महत्वपूर्ण लक्ष है, वो गरिबी से जुडा हुआ है। अक्सर देखा गया है कि इतनी महंगाई के जमाने में कभी-कभी, परिवार

के पुरुष सदस्य द्वारा अर्जित धन परिवार कि मांगो को पुरा के करने लिये पर्याप्त नही होता है। वही महिलाओंकी अतिरिक्त आय परिवार को गरीबी के रास्ते से बाहर आने में मदद करता है। इसलिए गरीबी को कम करने ने के लिए भी महिलाओंका शिक्षित होने के साथ-साथ कामकाजी होना भी जरूरी है। कई ऐसी लाडकीया होती है, कई प्रतिभा होती है, लेकिन सही मार्गदर्शन और शिक्षा ना मिल पाने के चलते वो अपनी प्रतिभा का इस्तमाल नही कर पाती हैं। इसलिये अगर महिलाओं का सही से सशक्तीकरण कर दिया जाए, तो महिला अपने हुनर कि पहचान कर सकेंगी। जिससे देश को भी प्रतिभाशाली महिलाएँ मिलेंगी जो कि देश के विकास के लिए कार्य करेगी। महिला सशक्तीकरण करने का जो सबसे बडा लक्ष है वो महिलाओंको पुरुष के समान इस समाज में समानता देना है। अभी भी दुनिया में ऐसे कई देश है, जहाँ पर महिला को पुरुषो कि तरह अधिकार नही दिये गये हैं। महिलाएँ अभी भी केवल गुलामो कि तरह कार्य करती हैं। उनको ना अपनी बात कहने कि और ना कुछ निर्णय लेने कि आझादी दि गई है। वही महिला सशक्तीकरण के जरीएँ ऐसी महिलाओंका विकास करने पर ही जोर दिया जाता है। ताकी ये महिलाएँ बोलने कि आझादी का लाभ उठा सकेंगी। अपनी राय खुलकर समाज के सामने रख सके, भारत सरकार ने देश कि महिलाओंके विकास के लिए कई सारी योजनाएँ चलाई हैं।

योजनाओंकी मदद से सरकार महिलाओं कि मदद कर उनका सशक्तीकरण करना चाहती है। ऑफिस में काम करने वाली माताओ के लिए योजना को चलाया गया है। अक्सर कामकाजी महिलाएँ अपने बच्चों को लेकर परेशान रहती हैं। दुनियाभर में महिलाओंके सशक्तीकरण के लिए बहुत सारे कामों एवं योजनाओं को लागू किया जा रहा है। वही आठ मार्च के दिन को महिलाओं के लिए अर्पित किया हुआ है। इस दिन दुनिया के हर कोने में महिलाओं के लिये कई कार्यक्रमों का संचालन किया जाता है। इस दिन को राष्ट्रीय महिला दिवस के नाम से मनाया जाता है। वही हर देश में विशेष रूप आयोजित किए जाने वाले कार्यक्रमों के जरीये महिलाओंके विकास पर जोर दिया जाता है।

आप लोगो ने महिला आयोग और महिला कि सहायता के लिए बनाए गए कई संगठनों के बारे में सुना होगा। लेकिन क्या आप ने कभी पुरुष के लिए बनाए गए किसी संगठन के बारेमे सुना है, जो कि उनकी मदद के लिए बनाया गया हो। महिलाओं के लिए बनाए गए संगठनों कि आखिर हमे क्यो जरूरत पडती है? क्यो हमारे देश कि महिला इतनी ताकतवर नही है कि वो अपने आप हि हर चीज से निपट सकें।

वही जब हमारे देश कि महिलाएँ शिक्षित हो जाएंगी। अभी हम कह सकते हैं कि हमारे देश में महिलाओं के हालात बेहतर होते जा रहे हैं। जिस तरह पुरुषो को किसी भी मदद कि जरूरत नही होती है। ठीक उसी तरह एक ऐसा दिन भी आएगा जब महिलाओं को भी किसी भी चीज का हल निकालने के लिए किसी पर निर्भर नही रहना होगा। और उस दिन महिलाओं के सशक्तीकरण का देखा गया ये सपना सच हो सकेगा

बेटी पढाओ, बेटी बचाओ योजना लडकियोके कल्याण और उनकी पढाई के प्रति लोगो के बीच जागरूकता पैदा करने के लक्ष से बेटी पढाओ, बेटी बचाओ योजना को शुरू कराया गया था। साल २०१५ में इस योजना को चलाया गया था। इस योजना के जरीएँ लडकियो के परिवार वालों को उन्हे शिक्षित करने के लिए प्रोत्साहित किया जाता है।

## “ सोच ”

विद्यार्थी जीवन में सोच के प्रभाव का वर्णन किया जाये तो , शायद आज दवात और कलम सब कम पड़ जायेगे।

फिर भी सोच ही ने मानव को चंद्रमा पर पहुँचाया है ,अनहोनी को होनी में बदल कर दिखाया है। आज के विद्यार्थी काम कर रहे हैं।

मगर, सोच समझकर नहीं ,जिसके कारण वह अपने लक्ष्य से दूर जाते हुए नजर आ रहे हैं।

जिस प्रकार कस्तुरी हिरन अपने नाभि से ही निकलने वाली सुगंध के बारे में न जानकर पुरे जंगल में तलाश करता है , ठीक उसी प्रकार विद्यार्थी विद्या का महत्व को न समझकर उससे होते जा रहे हैं। हम विध्यर्थी अपना जीवन व्यतीत तो करते हैं। लेकिन इसके मूल महत्व के विषय मई नहीं सोच पाते है। जिसके कारण हमारा जीवन अँधेरे की खाईमें जाता हुआ नजर आ रहा है। नहीं विद्यार्थियों: हमें आपने सोच को बदलना होगा और जीवन को सफल बनाना होगा। अभी समय है अपना अविवेक तथा आलस्य को त्याग कर प्रयत्न के सागर मे डुबकी लगाओ। पेड़ -पौधे ,प्राणी [मानव ] और पक्षी की था व्यर्थ जीवन बिताकर मरने वालो में से एक तुम भी मत बनो , बल्की आपने नाम को इस दुनिया मे छोड़ जाने वालो में से एक तुम भी बनो। यह सोच रखकर आगे बड़ो और लोगो को बता दो शिश्या से व्यक्ति की सोच बदलती है। अब अपनी सोच को बदलकर रख दो "क्योकि इंसान गलत नहीं होता इंसान की सोच गलत होती है। विश्व की सारी शक्ति तुम्हारे अंदर कूट -कूट भरी है बस सोच को बदलकर परिश्रम मई लाग जाओ। हजारो मिल की यत्रा पहला कदम रखने से ही प्ररम्भ होती है इस लिए अब से हे प्रयतनशील हो जाओ , टालो मत क्योकि। .. 'समय और ज्वार भाटा किसीका इंतज़ार नहीं करता है। 'विद्या देती है नई ,सोच लाती नए विचार। नए विचार से मिले ,ज्ञान ,ज्ञान बनाए हमें महान" ..

उपरोक्त बात सोच पर आधारित है ,मुझे यकीन है कि सकारात्मक सोच रखने वालो को जीवन मे सफल होने से कोई रोक नही सकता है।

## यादों की बंद अलमारी

यादों की बंद अलमारी ..... ।

सालों बाद मैंने खोली,

अपनी यादों की बंद अलमारी।

उसमें थी ,गुड़िया भोली -भली,

थी उसमे कहानियो की किताबें सारी।

सालों बाद मैंने खोली,

अपनी यादों की बंद अलमारी।

डाट भी थी माँ की मीठी बोली,

थी मैं पापा की गुड़िया

सालों बाद मैंने खोली,

अपनी यादों की बंद अलमारी।

खेली कागजों पर रंगों की होली,

सजाई थी उनपर मेरी चित्रकारी।

सालों बाद मैंने खोली,

अपनी यादों की बंद अलमारी।

कागज़ की नाव, बारिश मे बहने वाली,

छोटे -छोटे जूते ,लाल रेनकोट की लाली।

सालों बाद मैंने खोली, अपनी यादों की बंद अलमारी।

जिनके साथ बचपन में खेल खेली,

सालों बाद मैंने खोली,

अपनी यादों की बंद अलमारी।

याद आई बचपन के दोस्तों की ठिठोली ,

और याद आई बचपन की यादे सारी।

क्या तुमने कि थी, कोई तैयारी।

क्या तुमने देखी थी जंतु की पीड़ा,

देखो आ गया वायरस का कीड़ा।

इस कीड़े को ना खा पाओगे,

पर इससे बचा जा सकता है।

बचना है तो हो जाओ तैयार,

मास्क पहनो बनो होशियार।

## कहानी फ़ेहमी के वास्तविक जीवन पर आधारित है।

थी मेरी भी ज़िंदगी उन दिनों इतनी ख़ास,  
नजाने उसे क्यों न हुआ, इस बात का एहसास ॥

सब करते थे मुझसे बात,  
हमेशा हसकर  
तब में कहती,  
माय लविंग वंस अब तो बस कर ॥

आता था मज़ा, जब थे सब एक साथ में,  
करते थे मस्ती, और खूब मज़ा, हर एक बात में ॥

थी मेरी भी ज़िंदगी उन दिनों इतनी ख़ास,  
नजाने उसे क्यों न हुआ, इस बात का एहसास ॥

कोई भी होता सिचुएशन, अच्छा या बुरा,  
सब कहते मुझे, प्यार से बुझी (छोटी बच्चों) ।  
तब कहती थी, मुझे इस तरह बुलाओ ↑  
चाहे बात हो कुछ भी ॥

अच्छे बोहत थे वो सुनहरे पल,  
ऐसा था लगता खुल के,  
जी रही हूँ में आज कल ॥

थी मेरी भी ज़िंदगी उन दिनों इतनी ख़ास,  
नजाने उसे क्यों न हुआ, इस बात का एहसास ॥

अचानक क्या हुआ, हमें क्या पता,  
क्यूँ चलने लगी थी, उदासी की घटा ॥

नहीं बन पायी में, एक अच्छी बहन,  
क्यों के कर नहीं पाती में,  
कोई भी गलत चीज़ सेहेन ॥

थी मेरी भी ज़िंदगी उन दिनों इतनी ख़ास,  
नजाने उसे क्यों न हुआ, इस बात का एहसास ॥

मेरी अवाज अब अनके,  
कानो में है चुभती ,  
मेरी बात अब अनके,  
दिल पर चोट सी है लगी ॥

अब सब लेते है मेरा नाम,  
सिर्फ काम कलिये  
अब दुनिया में है सब,  
अपनी खुशी और आराम कलिये ॥

कर देती हू में सबको उदास  
क्या इसलिए नहीं रखते  
अब मुझ से कोई आस ??

थी मेरी भी ज़िंदगी उन दिनों इतनी ख़ास,  
नजाने उसे क्यों न हुआ, इस बात का एहसास ॥

अब नहीं में चैन की नींद सोती हूँ,  
सब के बारे में सोच,  
दिल-ही-दिल में रोती हू ॥

सोचती हूँ कहीं ऐसे न निकले दम  
पर पापा-मम्मी के बारे में सोच,  
रूह मेरी वही पर जाती है थम ॥

थी मेरी भी ज़िंदगी उन दिनों इतनी ख़ास,  
नजाने उसे क्यों न हुआ, इस बात का एहसास ॥

काश वो दिन वापस आजाते,  
जब हम सब बैठ कर,  
खूब बाते और मजा पाते ॥

मेरे घर में बन चुकी हू में एक ज़िंदा लाश,  
क्यों के नहीं समझते मेरे अब कोई भी जज़्बात ॥

थी मेरी भी ज़िंदगी उन दिनों इतनी ख़ास,  
नजाने उसे क्यों न हुआ, इस बात का एहसास ॥

मगर मेरे प्यारे दोस्तों,  
में न हार मानूँगी ॥

घर वालो को खुश कर,  
उनका दिल वापस जीत लूँगी ॥

थी मेरी भी ज़िंदगी उन दिनों इतनी ख़ास,  
नजाने उसे क्यों न हुआ, इस बात का एहसास ॥

फिर एक दिन शायद,  
वो मुझे फिर से अपना लेंगे,  
बोहत प्यार करेंगे,  
और मुझे गले से लगा लेंगे ॥

थी मेरी भी ज़िंदगी उन दिनों इतनी ख़ास,  
नजाने उसे क्यों न हुआ, इस बात का एहसास ॥

पाया है मैंने एक साथी,

पाया है मैंने एक संचाती!

## ताकत

दुःख कि दिवारों को गिराने कि ताकत रख,  
हार गया तो क्या? जीत गया तो क्या?  
पर तू कोशिश करने कि ताकत रख...

मैं नहीं केहता तुझ से! के तुझे हिमालय हैचढ़ना।  
पर तू लोगों के दिलों में चढ़ने कि ताकत रख।  
लो मान लिया मैंने के तेरी सोच बहुत बड़ी हैं।  
पर अपनी सोच को काबू में रखने कि ताकत रख।

है सफर लंबा अभी, है मंजिल दूर तेरी।  
माना के आंखे अभी नमूह है तेरी,  
पर नमूह आंखोंसे मुस्कुराने कि ताकत रख।

लग रहा है तुझको के तू हार गया है सब कुछ,  
पर तू हतियार उठाने कि ताकत रख।  
मान लिया मैंने यह के चारो तरफ पत्थर है तेरे,  
पर तू पत्थर पे फूल खिलाने कि ताकत रख।

वक्त बदलेगा जरूर यकिन कर मेरा।  
बस उसे बदलणे कि ताकत रख।  
सारी दुनिया करेगी मोहब्बत तुझसे यकिन मेरा,  
पर खुदसे मोहब्बत करणे कि ताकत रख।

क्यू केहता है खुदसे के कोई नहीं है तेरा,  
किसी ने वफा नहीं किया तुझसे,  
तू खुदसे वफा करणे कि ताकत रख।

तू लड़ लेगा जमाने से यह यकीन है मुझको,  
तू खुदपर यकीन करने कि ताकत रख

## महामारी

हर गली, हर मोहल्ला अब हो चला सुनसान,  
जिने आया था याह लोट रहा है बनके मेहमान,  
मंदिरों कि जगह अब अस्पताल में दिखे भगवान,

आफत ने होसले तोडे उनके जो देश थे बलवान  
मजबूर कर गयी बरोजगारी खाली पेट ने दिखाई  
कैसे लाचारी,

जिंदा रहने चला वो लेकर अपनी सवारी,  
बेशक बेहाल कर रही ये महामारी  
पोलीस हो या सफाई कर्मचारी,  
नर्सस डाक्टर्स कि भी हैं तैयारी,  
हर कोई कि है अपनी जंग जारी,  
फिर लोट आयगी वो खुशहाली सारी....

## याद

ये कैसा अजीब सा खालीपन है,  
मानो तुम न तुम ना होने का कोई गम हो,  
इस दिल को कैसी अजीब सी कसक है,  
न जाने किसकी याद में मगरूर हैं,  
ये रास्ता शायद तेरी तरफ जाता होगा,  
पर ये मंजिल अब हमारी रही कहाँ,  
तुम शायद आज भी वही रुके होंगे,  
मगर वो रास्ता अब हमारा कहाँ,  
पर आज फिर भी उनकी याद आयी है,  
मगर इसबार ओठो पे मुस्कुराहट लायी है,  
तुम्हे जगाना जो हमारी आदत बन गयी थी,  
हमारी दोस्ती तुम्हारे लबो पे रुहानियत बन गयी थी,  
कुछ अजीबसा आजानापन पाया तेरे आँखों मे,  
इस लिये ना हम रुके ना तुम्हे  
रोकना मुनासिफ समझा।

इसका प्रचार हुआ चारो ओर,  
नमस्ते कर के हुआ इसका तोड़।

\*चाइना\* में हुआ इसका \*प्रोडक्शन\*,  
देश विदेश में फैला जैसे \*करणाना\*  
महामारी है ये \*कोरोना\*,

नमस्ते कर के इससे बचते रहना।

\*कोरोना\* का बादल है छाया,  
आम लोगों को खूब रुलाया।

देश विदेश पड़ गया सुना,

प्रकृति को लोगों ने जब - जब छेड़ा।

कोई न समझा जीव जंतु की पीड़ा,

देखो आ गया \*कोरोना वायरस\* का कीड़ा।

बचना है तो हो जाओ तैयार,

\*मास्क पहनो\* बनो होशियार।

## हर शख्स इस शहर में परेशान सा है

हर शख्स इस शहर में परेशान सा है, इन मकानों से  
उसका मुकाम कौन सा है। ये रास्ते जो इस शहर से  
दूर ले जाते हैं, वो भी तो उसे किसी और शहर में छोड़  
आए हैं। पूछते हैं ये पंछी किसी बेघर फरिश्ते की  
तरह, इस जमीन पर कुदरत का निशान कौन सा है।  
वो तो शुक्र है इतनी ऊंचाई तक इंसान के हाथ नहीं  
पहुंचते हैं, वरना खुदा भी पूछता मेरा आसमान कौन  
सा है। मैंने तो बनाई थी ये दुनिया पानी, मिट्टी,  
पत्थर और हवाओं से।

## फेयरवेल

फेयरवेल - इस वर्ड का बहुत गहरा इंपैक्ट है मेरे लाइफ पर, बहुत अपनों को खोया है मैंने इस दिन के नाम पर, थोड़ी खुशी मिल जाती है सबसे नए कपड़ों में मिलकर, लेकिन दिल में एक दर्द रहता है, कि अब मेरे कुछ अपने फिर बिछड़ जाएंगे ना, मुझे सिर्फ एक छोटी सी गुड बाय बोल कर...

आज सब खुश थे सिर्फ मुझे छोड़कर, लेकिन एक खुशी भी थी कि आज तेरे साथ कुछ फोटो खिंचवाई की कैमरे में देख कर, हमेशा टच में रहेंगे यह प्रॉमिस भी किए थे,

सब एक दूसरे को देख कर, लेकिन मैं बिल्कुल भी खुश नहीं थी, क्योंकि आप कैसे करूंगी लंच तुम्हारे सबके साथ..

आज आखिरी दिन है कॉलेज में, यह सोच कर ही कितना डर सी गई हूँ मैं, अब पता नहीं कब मिल पाएंगे, हम यह सोच कर ही कितना खुश सी गई हो मैं, अभी तो हमारी दोस्ती शुरू ही हुई थी ना, और कॉलेज ही खत्म हो गया, यह जानकी थोड़ा सा रोने भी लगी हूँ मैं, कॉलेज एक बहाना था ना तुम सब से मिलने का, अब वह अब यूँ ही वह बहाना भी नहीं रहेगा तुम सब लोग से मिलने के लिए, टाइम स्पेंड करने के लिए, और तुम लोग को तो पता ही है कि मैं कितनी कमजोर हूँ बहाना बनाने में, क्या मुझे सच में कोई मौका नहीं मिलेगा तुम लोग सब से मिलने के लिए...

फेयरवेल - मैं कितने टाइम बाद वॉयज फिर ब्लेजर पहनेंगे, और लड़कियां फिर गाउन पहनेंगे, यह सोचकर कितना खुश थी मैं, आज के बाद कुछ लोग अलग भी हो जाएंगे, यह सोचकर मैं थोड़ी अपसेट भी हूँ!! लेकिन अपनी क्रश के साथ एक सेल्फी तो जरूर खिंच आऊंगी, यह सोचकर मैं कितनी एक्साइटमेंट भी हूँ मैं!!

## शहर चला गांव की ओर

कंधे पर बैठे गुड़िया बोली पापा हम गांव क्यों चले मां कहती थी आपका सपना है कि हम शहरों में ही पले सुना है बेटी गांव में कोई भूखा नहीं मरता है क्या करूं मैं तो भूखा रह लेता पर तेरे लिए दिल डरता है पर गांव तो काफी दूर है पापा और भैया काफी थक गए उनके पास तो जूते भी नहीं पैरों के छाले पक गए ना सूझता मुझको कुछ और कमाने गए शहर वापस तो बीमारी आ जाएगी अगर रुक गए कदम तो भूख खा जाएगी पर पापा वह कौन है जो हमें खाना दे गए और हमारी ढेर सारी फोटो ले गए बेटी खाना दिए इसलिए वह फरिश्ता है पर फोटो ले गए उस पर मेरा दिल तरसता है सवालियों की गठरी बांधे गुड़िया सो गई अभी पहुंचे भी नहीं थे कि सांझ हो गई ना जाने कितने सपने सुबह की उम्मीद में पल रहे हैं गुड़िया के पापा अभी भी चल रहे हैं

## रियल हिरो

आज उनका फोन भी नहीं आया, उनका आवाज जैसे हमेशा के लिए खो गया, सरकार ददेगी सुविधा नया नया, पर उन्हें क्या पता कि हमने एक असली शेर खो दिया असली शेर खो दिया। ... . जिसने भी ये किया है, अरे तुझे जन्नत क्या एक एक कबर तक नसीब नहीं होगी मैं तो जा रहा हूँ देश की सेवा करके लेकिन याद रख आज से तेरी मौत तुझे सोने नहीं देगी मुझे पता है मेरी मौत की खबर सुनके मेरी माँ रो देगी, पर एक बात तू जरूर याद रख जीत सिर्फ हमारी ही होगी ... हमारी ही होगी... आज एक के वजह से उनका पूरा घर सुना पद गया, अरे, उन्हें गद्दारो को क्या पत्ता हमारे देश ने क्या खोया? सिर्फ तेरे वजह से मेरा पुरा देश रोया, अब तू तो मर गया, क्योंकि खून का बदला खून से ये वक्त अभी आ गया... वक्त अभी आ गया... नजाने आज ये कौनसी घड़ी आ गई, भारत माँ को प्रणाम करते करते दूसरी माँ अलवीदा कह गई। तू रो मत न माँ... मैं हूँ तेरे साथ नहीं गया कही पर ये गद्दार नहीं होगा तेरा कुछ भी सही, क्योंकि तेरी वजह से मेरी माँ रो पड़ी .. मेरी माँ रो पड़ी ....

## व्यथा लॉकडाऊनची

आज लॉकडाऊन सुरु होऊन साठ पेक्षा जास्त दिवस झाले आहेत. या साठ दिवसांत स्वातंत्र्यातून बंधनात अडकल्याचा अनेकदा विचार आला पण कानांवर पडणाऱ्या बातम्या आणि बातम्यावरील दृश्ये काळजाला भिडू लागली आणि भीतीचे सावट पसरले . कोरोनाच्या वेड्यांमध्ये सारे जग अडकले आणि लॉकडाऊनला सुरुवात झाली.

धावणारी घडयाळे ,घड्याळ्याच्या काट्यांचा पाठलाग करणारे लोक ,पाळणाऱ्या गाड्या ,मिरवणारे मॉल ,थिरकणारी सिनेसृष्टी असं काही थांबल जणू सारं गोटून जावं . रोगाचा वाढता प्रादुर्भाव व त्यामुळे वाढती रोग्यांची संख्या ,या साऱ्यामुळे दिवसागणिक मुत्यू अधिक जवळ येत असल्याचे भासते. एकीकडे रोगाच्या वाढत्या प्रादुर्भावाने समाजाला विळखा घातला तर दुसरीकडे हातावर पोट असलेला निराधार भुकेने तडफडत आहे . येणारा प्रत्येक दिवस या लॉकडाऊनमध्ये जगण्याची नवीन उमेद घेऊन येतोय तर वाढत्या लॉकडाऊन मधला प्रत्येक दिवस हा गरिबांचा जगण्याचा मार्ग अधिक खडतर करतोय . डोळ्यांतून अश्रू येतील अशा परिस्थितीची दाहक वाजू आज जगाला कळली . जेथे जगण्याची उमेद आहे .रोज जगण्यासाठीचा खडतर प्रयत्न सुरु आहे . पोटची भूक शमविण्यासाठी स्वीकारलेली लाचारी आहे. रस्त्यावर पायपीट करणारा मजूर सुरक्षिततेसाठी मैलांचा प्रवास करीत आहे .काम नसल्याने व्याकुळ डोळे आसरा शोधत आहे . प्रवास कुटूंबासाठी असो किंवा जगण्यासाठी पण प्रवासातील त्यांची होणारी फरफट पाहून डोळ्यांत आसवे साचतात. स्थानिक आजचा दिवस कसा भागवायचा या विचारांत आहे तर या विरूद्ध मजूर जगायचे कसे ह्याचा शोध घेतोय .

लॉकडाऊनमुळे सगळ्यांची जीवनशैली बदलेली आहे .धावती आयुष्य स्थिरावली ,सर्वांना एक नवा रिस्टार्ट मिळाला ,नात्यांना नवं वळण मिळालं, स्वतःबद्दल नवा दृष्टिकोन मिळाला,कामातून थोडी विश्रांती मिळाली आणि स्वतःतल्या कलागुणांना वाव मिळाला ,थाळीमध्ये नवनवे पदार्थ रोज सजू लागले,कोणी भिंती रंगवल्या, कोणी वादन कला अवगत केली तर कोणाचे पाय पुन्हा थिरकू लागले, लेखणी, कुंचले, रंग सहज वावरू लागले. लॉकडाऊनमध्ये स्थानिक लोक मजुरांची परिस्थिती समजू शकतील कि नाही हे सांगणे अवघड पण या रोगाचा प्रादुर्भाव शमविण्यासाठी प्रत्येक जण आपल्या पातळीवर कार्यशील आहे .

सामान्य नागरिक घरी राहून सहकार्य करत आहे,आपले वैद्यकीय कर्मचारी ,पोलीस कर्मचारी ,सफाई कामगार तसेच इतर सहाय्यक वर्ग प्रशासनासोबत राहून कोरोनाविरुद्ध युद्धपातळीवर लढत आहेत. लॉकडाऊनमध्ये आपल्या प्रियजनांपासून लांब राहून तहानभूक,आराम,झोप कशाचीच तमा न बाळगता आपले कर्तव्य बजावत आहे .

या लॉकडाऊनच्या काळात सारी देवस्थाने बंद करण्यात आली आणि दवाखाने सेवेला तत्पर झाले . माणसा मधला माणूस जागा झाला आणि माणसातला देव माणुसकीच्या रक्षणार्थ धावून आला. सारं काही लवकरात लवकर ठीक होऊ दे या रोगाचा प्रादुर्भाव रोखण्यासाठी सारे यशस्वी होऊदेत . कारण जगायला तर शिकलो पण आता दुसऱ्यासाठी जगायचं आहे . लॉकडाऊन संपेल तेव्हासंपेल पण सरतेशेवटी एकच सर्वांना सांगणं, स्वच्छंदी जगण्यासाठीच आता घरी राहा ,नियमित हात धूत राहा,बाहेर जाताना मास्क वापरा कारण हे केलेत तरच हे दिमी कविता लिहिते वस जातील ...

## मी कविता लिहिते

कोण म्हणतं मी लिहिते कविता, उतरवते कागदावर फक्त व्यथा..  
सोबतच असते ती कदाचित, उकल मात्र होते तिची अवचित...  
कधी नाचत बागडत येतात शब्द, कधी मौन पाळून असतात गुप्त ..  
क्षणात होतात लुप्त जशी बिजली, रेंगाळत बसतात कधी रात्री उशाशी...  
चंद्राच्या चांदण्यात खुलते कविता, रातराणीच्या गंधात फुलते कविता..  
तराणे मनातील फुलवी हास्य ओठांचे, तर होतात अश्रू कुणाच्या डोळ्यात.  
ती मानत नाही बंधन, भावभावनांचे, स्वैर, स्वच्छंदी विश्व साऱ्या शब्दांचे.

## शिर्षक - संचारबंदीदरम्यान परिवारासोबत आपण

नमस्कार ! हा विषय निवडण्यामागचा माझा उद्देश्य हाच की धावत्या वेळेत आपला परिवार पण निसटून जात आहे कोणतीतरी महामारी उध्दभवून आपल्या कुटुंबाला पुन्हा एकत्र आणत आहे. हे आपण या काही महिन्यात नक्कीच अनुभवले आहे . कॉवीड - १९ या वैश्विक महामारीमुळे आज जगातला प्रत्येक देश ग्रासीत आहे. या वैश्विक भयानक महामारीपासून वाचण्यासाठी आपल्याला सामाजिक दुरी ठेवावयास सांगितली आहे आणि आपण घरातच सुरक्षित आहोत असे पंतप्रधान ,मुख्यमंत्री,आणि कोरोनाशी लढण्यात आपणास मदत करणारे योद्धा जसे की डॉक्टर्स,पोलीस कर्मचारी , सफाई कर्मचारी हे वारंवार सांगतच आहेत आणि काही प्रमाणात त्यांच्या या बोलण्याचे पालन देखील सगळेजण करत आहेत.

कोविड -१९ या महामारीमुळे आज प्रत्येकजण आपल्यालाच घरात कैद झाला आहे. आपापल्या घरातल्या माणसांसोबत कैद झालेत असे सर्व म्हणत आहेत. पण मला असे अजिबात वाटत नाही. कारण आपल्याच कुटुंबासोबत आपल्याच माणसांसोबत जास्त वेळ राहणं याला कैद म्हणत नाही ना! धावत्या मुंबईत आजपर्यंत प्रत्येकजण धावतच होता . कोणी नोकरीसाठी , कोणी आपल्या प्रसिद्धिच्यामागे, अश्या अनेक गोष्टींच्या मागे प्रत्येकजण धावतच होता. पण आता सर्वच थांबलय..... कधीही न थांबणारी मुंबई आणि मुंबईची लाईफलाइन म्हणून ओळखली जाणारी मुंबईची लोकल रेल्वे आज थांबली आहे.

आज प्रत्येकजण आपल्या घरात आहे. लहानमोठी सगळी माणसं आज घरात आहेत. आपल्या परिवारासोबत सगळेजण आज रोज दिवसाचा सूर्योदय आणि सूर्यास्थ पाहत आहेत. अशी वेळ पुन्हा येणार नाही जिथे आपण इतका वेळ कधी आपल्या कुटुंबाला देऊ शकू . कामामध्ये अत्याधिक गुंतलेल्या व्यापारालासुद्धा या कोरोनाने आज घरीच खिळवून ठेवलय . तो आपल्या परिवाराला वेळ देऊ शकतोय .आज भरपूर जणांना कळत असेल की आपल्या परिवाराला आपली किती गरज आहे ते. सतत बाहेर गावी शूटिंग,सिनेमासाठी जाणारे नट - नटी सुद्धा घरीच आहेत आणि ते या वेळेत काय काय करत आहेत हे सोशल मीडियावर आपल्याला पाहायला मिळतच आहे . ते सतत आपल्याला संदेश देत आहेत घरी राहूनच आपण कोरोनाला हरवू शकतो .

हि महामारी तर एक ना एक दिवस संपणारच आहे . आपण पुन्हा आपल्या त्याच धावत्या विश्वात पदार्पण करणार आहोत . पण तोपर्यंत आपल्या परिवारासोबत काही अनमोल क्षण जगून घेऊयात ना ! त्यांच्या सोबत हसुयात ,गाऊयात ,नाचूयात अशा खूप अविस्मरणीय आठवणी तयार करूयात ना! अनेक जणांना आपल्या कला जोपासण्यासाठी वेळ मिळत नाही त्यांनी आपल्या कलांना या दिवसात वाव द्यावा .

या टाळेबंदीत आपण आपल्या परिवारासोबत राहून त्यांना महत्व दिलं पाहिजे. जे इतक्या वर्षात आपल्याला जमलं नाही ते आता करण्याची संधी आपल्याला या महामारीने दिली असं समजून हे दिवस सुरक्षितरित्या घरात व्यतीत करूयात . बाहेर जाऊन उगाच रोगाला आमंत्रण देण्यापेक्षा घरात राहून आनंदाला आमंत्रण देऊयात ना . इतके वर्षे आपल्याला आपल्या परिवाराने समजून घेतलं आता आपण आपल्या परिवाराला समजून घेऊयात ना!

धन्यवाद!

कृपया घरीच राहा ! सुरक्षित राहा !

आज रात्रीला चंद्राची साथ नव्हती,  
हे सारे चांदणी एकटीच पाहत होती,  
मनाची घालमेल ती काही सांगू शकत नव्हती,  
हृदयातील प्रेम मात्र ती व्यक्त करू पाहत होती,  
चंद्रालाही चांदणीचा दुरावा सोसेना  
मनीचा भाव ओठी काही येईना,  
भाव चंद्राचे चांदणीला ही उमजेना,  
प्रेमाची कळी खुलता खुलता खुलेना,  
नजर नजरेला व्यक्त करत होती,  
डोळ्यातले प्रेम कृतीतून दर्शवत होती,  
चंद्राची वाट चांदणी पाहत होती,

दुःख आहे खूप पण,  
फक्त आनंद कमी आहे.  
माणसं आज खूप असली तरी,  
शेवटचे खांदे फक्त चार आहेत.  
तरुणपण आहे आज,  
उद्या म्हातारपण येणार आहे.  
जबाबदाऱ्या खूप असल्या तरी,  
शेवटी काठी हातात असणार आहे.  
दुसऱ्यांच्या इच्छा पूर्ण करताना,  
तुझ्या इच्छांचं पारड जड होणार आहे.  
पैशांच्या मागे लागताना,  
समाधान कमी पडणार आहे.  
२४ X ७ च्या शेड्युल मधला,  
प्रत्येक मिनिट कमी होत आहे.  
कविता माझी आली तरी,  
व्यथा ही सगळ्यांची आहे.  
म्हणून जगून घे आज, कारण,  
उद्या कोणी पहिला आहे....

## शेतकरी बळीराजा आहे ?

शेतकऱ्याला बळीराजा का म्हणतात ते अजूनतरी मला समजलेलं नाही? आणि जर शेतकरी बळीराजा असेल तर बळीराजा आत्महत्या कशी काय करू शकतो? हा प्रश्न मला नेहमी पडतो. ज्या बळीच्या राज्यात सारी प्रजा खुश होती, सगळ्यांना बळीने अगदी सुखाचे दिवस दाखवले. अश्या बळीच्या राज्यात कोणी दान मागायला आल्यास बळीराजा निःसंकोचपणे दान द्यायचा. जेव्हा विष्णू देवाने वामन अवतार धारण करून बळीकडे तीन पाय जमीन मागितली तेव्हा सुद्धा बळीराजा नाही म्हणाला नाही. उलट वामनाला, एवढे पुरेसे का? म्हणून प्रश्न करतो. आणि आणखीन मागण्यास सांगतो. पण वामन तीन पायच जमीन मागतो. वामन पहिले पाऊल धरतीवर ठेवतो. आणि बळी संपूर्ण धरती देण्यास तयार होतो, दुसरे पाऊल आकाशावर ठेवतो व संपूर्ण आकाश व्यापून घेतो, तिसरे पाऊल कुठे ठेवू? म्हणून बळीला प्रश्न करतो. बळी तिसरे पाऊल मस्तकावर ठेवायला सांगतो आणि मस्तकावर पाऊल ठेवताच बळी पाताळात जातो. अश्या ह्या पराक्रमी आणि प्रजेचं हित बघणाऱ्या राजाच्या नावाने जेव्हा आमच्या शेतकरी बापाला संबोधलं जातं. तेव्हा आमचा हा बाप बळीराजा आहे मग तो आत्महत्या का करतो? असा प्रश्न पडल्यावाचून राहत नाही. त्याचं राज्य तर सुराज्य पाहिजे होतं. पण आमच्या राज्यात शेतकरीच ईडा पीडा टळुदे अन बळीचं राज्य येऊ दे म्हणतो. कारण तो स्वतःला कधीच बळीराजा मानत नाही. आणि आम्हीही त्याला राजासारखं वागवत नाही. आमच्या ह्या शेतकऱ्यावर कायम उपासमारीची वेळ येते. ज्याने पिकवावं त्यानेच उपाशी राहावं अशी आमच्या शेतकऱ्यांची गत आहे. आज शेतकऱ्याचं आत्महत्या करण्याचं प्रमाण खूप वाढलं आहे. अरे, जगाचा पोशिंदा ना रे आपला हा बाप..मग त्याच बापाच्या गळ्यात फासाचा दोर यावा! जगाला पोसताना त्याच्या पोटातल्या भुकेचा कोणी विचार केला नाही, कि त्याच्या वाढत्या कर्जाचा विचार कोणी केला नाही. विचार केला तो फक्त व्यासपीठावरून मुद्दा म्हणून मांडण्यासाठी. कारण त्यातून मते मिळतात. दुःखाचं भांडवल करण्याची प्रथा आमच्याकडे खूप आधीपासून आहे. आणि त्यातून फक्त खोटी आश्वासनेच बाहेर पडतात. हा आमचा शेतकरी बाप कोणावरही सहज विश्वास ठेवतो. आभाळावर ठेवला, तर त्याने सुद्धा पाठ फिरवली. आभाळातून पाऊस पडेल आणि सारं शेत हिरवगार होईल ह्या आशेने आभाळाकडे डोळे लावून बसतो. पण त्या डोळ्यात अखेर नैराशेचाच पाऊस पडतो. आणि सारं शेत कोरडं राहतं. व्यापाऱ्याकडे आपला माल विकवावा तर त्याची वेगळी मत्केदारी. आमच्याकडे साध्या पेन्सिलचा भाव वाढत जातो. पण शेतकऱ्याच्या पिकाला मात्र योग्य भाव मिळत नाही. अश्या अनेक प्रश्नांच्या चक्रव्यूहात अडकलाय आमचा शेतकरी बाप. पण ह्या बापाला बाहेर काढण्यासाठी आमचे प्रयत्न शून्यच. शेवटी शेतकऱ्याने पुढे कितीही मोठं गणित मांडा, उत्तर हे शून्यच येत. आणि त्याच्या हातीही शून्यच लागत. एवढं असूनसुद्धा आमचा हा शेतकरी बाप बळीराजा कसा काय? आणि ह्या बळीराजानेच जर आत्महत्या केली तर हे राज्य कसं काय चालणार? खरच आमचा शेतकरी बाप बळीराजा आहे? आणि जर असेल तर त्याला संकटांच्या ओझ्याखाली पाताळात गाडायचा असा तर विचार नाही. आमच्या शेतकरी बापापुढे नेहमी प्रश्नच पडत गेले. पण त्यांची उत्तरं कोण शोधणार?

वेळ फार कठीण होती ,  
गोष्ट हादरवून टाकणारी घडली होती ॥  
तुम्हाला तुच्छ वागणूक देणारे ते लोक ,  
आता आपलं दैवत तुमच्यात पाहत होते ते लोक ,  
वेळ फार कठीण होती ,  
गोष्ट हादरवून टाकणारी घडली होती ॥  
तुझी तब्येत ढासळल्याची खबर नुसती कानावर आली,  
आणि माझ्या काळजात नुसती धडधड सुरू झाली,  
वेळ फार कठीण होती,  
गोष्ट हादरवून टाकणारी घडली होती ॥  
तुझी बातमी कळली तब्येत सुधारत असल्याची ,  
आणि मी तयारी सुरू केली तुझ्या जंगी स्वागताची,  
वेळ फार कठीण होती ,  
गोष्ट हादरवून टाकणारी घडली होती ॥  
तू बरा होऊन परत येणार म्हणून खूप खुश झालो मी,  
तू परत आलास मात्र तो दुःखाचा डोंगर झेलू शकलो नाही मी,  
वेळ फार कठीण होती ,  
गोष्ट हादरवून टाकणारी घडली होती ॥  
काल-परवा धडधाकट-हट्टाकट्टा असणारा तू ,  
आज मात्र होतास त्या प्लास्टिकच्या पिशवीत तू ,  
वेळ फार कठीण होती,  
गोष्ट हादरवून टाकणारी घडली होती ॥  
वेळ फार कठीण होती,  
गोष्ट हादरवून टाकणारी घडली होती,  
कायम साथ घायची ठरली होती,  
नशिवाने मात्र वाट वेगळीच लिहिली होती ॥

## जुनी मैत्री

आज तू अचानक समोर आला  
अन आठवणींचा गाव दृष्टीआड गेला  
मैत्रीचा रंग पुन्हा खुलू लागला  
बंध एक प्रीतीचा नव्याने जुळू लागला  
नकळत एक संवाद असाच उलगडला  
पुसटलेला प्रवास पुन्हा सुरू झाला  
पाहता पाहता माझाही रंग बदलला  
अन कृष्णाला सुदामा नव्याने गवसला  
डोळ्यातली असावे मागे सरू लागली  
गालावरची खळी पुन्हा एकदा खुलली  
ओझरत्या काळात आपली ओळख बदलली  
जुनी मैत्री आपली आज नव्याने फुलली.....

## நீதிக்கதை

மிகவும் ஏழ்மையான குடும்பம் ஒன்று அன்றாட வாழ்க்கை நடத்தவே சிரமப்பட்டது. பல நாட்கள் உணவின்றி தவித்தனர். அப்போது ஒரு நாள்.... ஒரு அழகான புதிய பறவை மரத்தில் இருந்ததை ஒரு அம்மா பார்த்தாள். அதை பார்த்து, "இந்த பறவை புதிதாக இருக்கிறதே, இதற்கு முன்பு இதை பார்த்ததில்லையே" என்று நினைத்தால் அம்மா. அந்த பறவை உடலில் இருந்து ஒரு இறகு பிடிங்கினாள், அதை கிலிங் என்று தொட்டாள், பிறகு அது தங்கமாக மாறிவிட்டது. இதன் மூலம் அந்த குடும்பத்தில் செல்வம் பெருகியது. மறு நாளும் அந்த பறவை வந்தது. பறவை தினமும் வந்து ஒரு தங்க இறகை உதிர்த்து விட்டுச் சென்றது. அப்போது ஒரு நாள்.... "இந்த பறவை தினமும் வராவிட்டால் என்ன செய்வது? என்று நினைத்துக்கொண்டு, அந்த பறவையைப் பிடித்து அதன் இறகுகளை பிடுங்கினாள். அந்த அம்மாவின் மகள் "அம்மா இது தவறு வேண்டாம்" என்று கூறினாள். அதற்கு அந்த அம்மா நமக்கு நிறைய தங்கம் வேண்டும் அதனால் தான் இறகுகளை பிடுங்குகிறேன்" என்று கூறிவிட்டால். இறகுகளை இழந்த பறவை பறந்து சென்றது. சிறிது நேரத்தில் அதன் தங்க இறகுகள் அனைத்தும் மாயமாய் மறைந்தது. பறவை திரும்ப வரவில்லை... நீதி: 'பேரரசுடன் செயல்பட்டால் இருப்பதையும் இழக்க நேரிடும்'....

ഓർമകളുടെ ജാലകത്തിൽനിന്നും  
കണ്ടു ജ്ഞാൻ എന്ന തന്നെ

മാവിൻകൊമ്പത്തു കയറി കളിച്ചും ചിരിച്ചും  
ഉപ്പിൽ മുക്കി മാങ്ങ രുചിച്ചപ്പോഴും  
ഓർത്തില്ല ആ പുളിക്ക്  
ഓർമകളുടെമധുരമുണ്ടാകുമെന്ന് !

ഒത്തുകൂടി കളിച്ചപ്പോഴും  
വഴക്കിട്ടപ്പോഴും പിണങ്ങിയപ്പോഴും  
ഒടുവിൽ മുത്തശ്ശിയുടെ

ചുരൽകഷായത്തിൻ കയ്പിൻ  
ഓർത്തില്ല ഓർമകളുടെ

കളിമണ്പാൽ മണ്ണപ്പം ചുട്ടു കഴിച്ചപ്പോൾ

ഇന്ന് എന്തു നേടയാൽ മാറും !

"കൊറോണ"  
മാനവരാശിയെ ഭയാശങ്കയിൽ ആഴ്ത്തി സംഹാര

താണ്ഡവം തുടങ്ങി  
എത്രയോ ജീവനുകൾ എത്രയോ ജീവിതങ്ങൾ

കവർന്നെടുത്തു.  
വിശ്രമമില്ലാതെ ഓടിച്ചും മനുഷ്യനെ വിശ്രമിക്കാൻ

പഠിപ്പിച്ചു  
ഇതുവരെ ഇല്ലാത്ത ശീലങ്ങൾ അത് മനുഷ്യനെ മാറ്റി മറിച്ചു

ഇനിയും എത്രജീവനുകൾവേണം നിനക്ക് കുരുതിയായി  
ഇനിയും എത്രജീവിതങ്ങൾ വേണം നിനക്ക് തകർക്കാനായി

ഇനിയെന്ന് നമ്മൾക്ക് പഴയകാലത്തേക്ക് തിരിച്ചുപോകാൻ

കഴിയും അറിയില്ല,  
അറിയില്ല ജീവിതവും ജീവനും ബാക്കിയുണ്ടാക്കുമോ
