# National Level One Week Online Workshop'

Day:5, 25<sup>th</sup> February, 2022

The screenshot shows a Zoom meeting interface. At the top, the status bar displays '4:25 PM | 127KB/s', signal strength, and battery level at 89%. Below this, there are controls for audio (muted), video (on), and a 'Zoom' dropdown menu. A 'Leave' button is visible in the top right. A 'REC' indicator is present on the left. A video thumbnail of a man with a mustache is shown in the top right corner.

The main content is a presentation slide titled 'Illustration from the epic Mahabharata:'. The slide features a colorful illustration of a man (Dronacharya) standing in a field, holding a bow and arrow, with several children (Arjuna and his cousins) standing around him. Below the illustration, there is a paragraph of text:

One day, he set up a target in the shape of a bird on a tree and invited his students to shoot at it. Before they did so, however, they had to answer his questions.

First, Dronacharya took up his stance. "What can you see?" asked Dronacharya.

The answer was, "I can see the bird, the leaves, the tree..." Dronacharya ordered him to put the bow down and go back to his place. Next was Yudhishthira, but the answers were the same. Some others added that they could see the teacher, their cousins and people standing around.

Dronacharya asked Arjuna to come up and take his stance. When Arjuna picked up his bow, set the arrow and drew the string, his teacher asked, "What do you see?" Arjuna replied, "The eye of the bird."

"Can you see the tree?" asked Dronacharya. "No, only the eye of the bird," was the answer. Dronacharya then went through a list: tree, bark, leaves, flowers, fruits, his brothers, cousins, even the teacher himself.

To everything Arjuna's answer was the same: "No, I can only see the eye of the bird."

At the bottom of the Zoom interface, there are controls for 'Unmute', 'Start Video', 'Share', 'Participants' (33), and 'More'. A mobile navigation bar is visible at the very bottom of the screen.
